SARA CAMPBELL

Late Fall & Holiday 2018

In late fall, we finally trade our backyard barbecues for chimney-side chats. When that indescribable "something" in the air changes, we suddenly become fond of warm knits and rich tones rather than the cool blues and sandy hues that carried us through summer. We are entering the season of soireés, and we're stocking our stores with luxurious imported fabrics to prepare you for the hustle and bustle ahead.

The late fall and holiday collections are all about texture. For your go-to items, we're filling the shops with plush velvet and comfy ponte. We ordered laces and meshes with petals and bows for your showstoppers, because as Oscar Wilde said, "One must either be a work of art, or wear a work of art." One of our favorite textures for the season is fur (both faux and real)! We'll have plenty of fur-trimmed cashmere sweaters, handbags, and equestrian wraps. We hope you enjoy the variety of rich textures and stylish silhouettes we're offering.

We're thrilled with the warm welcome our new Charleston, South Carolina boutique has received and look forward to opening our doors in Sarasota, Florida very soon! Where would you like to see Sara Campbell open? Send me an email at sara@saracampbell.com.

This booklet is a sampling of our favorite items, but plenty more surprises and treats await in your favorite boutique (including fabulous gifts and accessories). As usual, our team members would be delighted to help you locate the styles and sizes you need. Feel free to give your favorite store a ring and take advantage of this personalized service!

Warm wishes,
