

## CARGO INSURANCE REQUEST FORM

Because carrier liability is limited in the event of loss or damage to cargo, we strongly encourage you to purchase "All-Risk" Cargo Insurance to protect your financial interests. If you do not insure your cargo "All-Risk," please note the limitations of liability that apply to your shipments:

- **Air shipments:** 19 Special Drawing Rights (SDRs), or about \$28 per kilogram
- **Domestic shipments:** \$0.50 per pound up to maximum of \$50.00 per shipment
- **Warehouse and trucking services:** \$0.50 per pound up to maximum of \$50.00 per shipment
- **Broker/Forwarder Terms and Conditions of Service:** \$50 per entry and/or shipment
