CHAMPIONING GIRLS & WOMEN IN SPORTS

Join us in celebrating girls and women in sports while enjoying a night of inspirational stories, outstanding food and drink and access to Boston's greatest business leaders. Situated just steps from Boston's World Trade Center, Morton's The Steakhouse Seaport location is a fixture on the city's burgeoning waterfront district. The Morton's dining experience includes a unique wine collection, prime-aged beef, signature steakhouse sides and elegant desserts - all included at the 2019 Celebration event taking place on Thursday, October 3rd from 6pm-9pm.

Treat your friends, staff, and clients to a unique experience at this award winning venue with special guests from the New England Revolution as well as Boston's corporate leaders and esteemed members of the sports and youth development fields. The Scores Celebration brings together 200 professionals, corporate partners, and members of the Boston soccer community in support of our mission.

BOSTON SCORES is the largest after school provider in Boston with team-based education programs that foster students' health & well-being, academic achievement, and civic engagement. Our innovative blend of soccer, academic enrichment, and civic engagement programs improve students' health, academic engagement, and global citizenship. Scores reaches 1,000 girls each year and is one of the largest and fastest growing school-based programs in the city of Boston.

Sport has the power to change lives. By teaching women and girls teamwork, self-reliance, resilience and confidence, sport is one of the great drivers of gender equality. Women and girls who participate in sports have higher grades than students who don't, have lower drop out rates, have lower pregnancy rates, are less likely to use drugs, are more likely to graduate college and learn skills that will help them all of their lives.
