Adopt-A-Brick

Brick Order Form

The Veterans' Memorial Flag Pole has been installed outside the main entrance on S. Swartley Street. It is surrounded by paving stones which we would like to reflect the lives of the Library users and their loved ones. As part of a fundraising program, members of the community are invited to purchase bricks which will be engraved with the words of their choosing and installed around the flagpole.

Engraved Brick Example

Place an engraved brick
by the Veterans' Memorial Flagpole.

\$100 includes a brick and an engraved name or message.

Bricks will be delivered to and installed by the Library.

Acknowledgement cards available upon request.

Your personalization will read exactly as printed below.

Text is limited to 15 characters per line, including spaces.

One character or space per block.
