

Zephyr Wind Piano Playtime Week 3

We will continue to master story motif "forest friends" this week!

Please remember the **music promise** we made in the class

You promise to

- Play Forest sound with the online videos every day. Log in to Inner Musician website and watch the online videos
<https://www.innermusician.com/>
- **Create your own forest animal sound.** Choose an animal (different than what we already learned in the class) and make up the sound on pentatonic black keys.
- **Draw a picture of the animal of your choice in your "Play My Story" notebook. Be ready to show you drawing and play your own animal motif next class.**
- Build your Listening skills by listening to great music
- Learn about famous composer by listening to Classics for Kids.

- Butterfly - HoH butterfly fingers.
- Ladybird - light random black notes (Finger 2s).
- Frog - LR, LR hop (Fingers 23 tog) .
