At CanDance Studios we want to teach our students to respect the art of dance. Dance is a discipline and begins with the way a student dresses for class. By dressing the part a student looks like, behaves like and becomes a dancer. A neat and tidy appearance sets an attitude of attentiveness and respect for students, teachers and the art of dance. Teachers must be able to see a dancer's alignment, lines and positioning from head to toe in order to make the proper corrections when needed.
