

## Central Otago Pinot Gris 2017

Locharburn Vineyard and Wines is owned by Jenny and Chris Hill who are both 'hands on' in the vineyard and business. The vineyard is located in Central Otago, on a north easterly facing terrace, with breath taking 360-degree panoramic mountain views. A land of extremes, it is the surrounding alpine ranges, which provide the unique microclimate.

These boutique single vineyard wines – Pinot Noir, Pinot Gris, Pinot Rosé, Riesling, Chardonnay, Sauvignon Blanc - are low cropped and hand harvested, grapes are crafted into limited-release wines by award-winning winemaker, Jen Parr & Jody Pagey.

This Pinot Gris is wonderfully textural without excessive alcohol. Beautiful apple and pears and a hint of ginger on the nose carry through to ripe stone fruit and fresh mandarin on the palate. Intricately layered, the wine is balanced and elegant and should age gracefully.
