

Hoppy Porter 5.2% ABV

500ml Bottle

330ml Bottle

At Three Boys Brewery we personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Our beers are a living product; not filtered and not pasteurized - just as nature intended. Our aim is simple: finest quality beer, finest possible taste.

Our beers are brewed, bottled, and canned on site so you can guarantee quality and freshness every time.

Tasting Notes:

Chocolate malt flavours with a deceptively light finish for a dark beer. New Zealand hops push this style into the new world.
