Cider making

Peckhams point of difference with other ciders in the market is that they use proper cider apples.

This gives the ciders texture and depth, with balanced fruit acidity and tannins.

Fruit ciders are made with real fruit, if not from Peckhams orchard they buy it from local growers - always whole fruit. This is why the fruit ciders taste so fresh.

Tasting Notes

Cider blended with Guatemalan green cardamon pods. Palate cleansing, light and fruity with a fresh ginger finish.

Available in 330ml Can and 330ml Bottles
