

# PECKHAM'S

## CIDERY & ORCHARD

Rare Cider Limited Release

Moutere Apple 5.8%

### *Cider making*

Peckhams point of difference with other ciders in the market is that they use proper cider apples.

This gives the ciders texture and depth, with balanced fruit acidity and tannins.

Fruit ciders are made with real fruit, if not from Peckhams orchard they buy it from local growers - always whole fruit. This is why the fruit ciders taste so fresh.

### *Tasting Notes*

Our flagship cider is off dry and made with a blend of cider and heritage apples. Like a wine, each vintage reflects the best of the year in the cider orchard. A classic traditional cider, with big mouth feel, mild tannins and apple pie notes.

Available in 330ml Can and 330ml / 500ml Bottles
