At Three Boys Brewery we personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Our beers are a living product; not filtered and not pasteurized - just as nature intended. Our aim is simple: finest quality beer, finest possible taste.

Our beers are brewed, bottled, and canned on site so you can guarantee quality and freshness every time.

Tasting Notes:

An elegant malt character underpins a striking mix of South Pacific hops in Three Boys take on the microbrewers' most popular style. This New World hop-packed beauty looks as good as it tastes.

Available in: 500ml Bottle, 330ml Can, Keg, Hand Pump
