*At Three Boys Brewery we personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Our beers are a living product; not filtered and not pasteurized - just as nature intended. Our aim is simple: finest quality beer, finest possible taste.*

*Our beers are brewed, bottled, and canned on site so you can guarantee quality and freshness every time.*

**Tasting Notes:**

Three Boys take on the classic bohemian pilsner style.

We cut no corners to bring you all the beauty of a traditional Pilsner but watch out, it takes a turn with the addition of modern New World hops late in the finish to create our own South Pacific Bohemian!
