

## Central Otago Pinot Rose 2017

Locharburn Vineyard and Wines is owned by Jenny and Chris Hill who are both 'hands on' in the vineyard and business. The vineyard is located in Central Otago, on a north easterly facing terrace, with breath taking 360-degree panoramic mountain views. A land of extremes, it is the surrounding alpine ranges, which provide the unique microclimate.

These boutique single vineyard wines – Pinot Noir, Pinot Gris, Pinot Rosé, Riesling, Chardonnay, Sauvignon Blanc - are low cropped and hand harvested, grapes are crafted into limited-release wines by award-winning winemaker, Jen Parr & Jody Pagey.

This rosé presents lifted aromas of dried strawberries and raspberries, with hints of nectarine and peaches, laced with threads of dried lavender, thyme and red liquorice. The palate adds rich peach, nectarine and creamy notes. Ripe fruit characters create an impression of sweetness that lingers on the back palate.

Soft and textural, this rosé is a perfect match for foods such as smoked salmon.
