

Golden Ale 4.5% ABV

At Three Boys Brewery we personally tend each small-scale brew, right from selecting the best malt and hops until it leaves the brewery. Our beers are a living product; not filtered and not pasteurized - just as nature intended. Our aim is simple: finest quality beer, finest possible taste.

Our beers are brewed, bottled, and canned on site so you can guarantee quality and freshness every time.

Tasting Notes:

This Golden Ale is a New World hop-lovers dream! Gorgeous pale straw colour but packing a tropical passion fruit and citrus punch. Three Boys pack this beer with the hop Nelson Sauvignon. This South Pacific rock-star hop brings fantastic tropical flavours reminiscent of a New Zealand Sauvignon Blanc and summer.

Available in: 500ml Bottle, Keg
