Production

2015 production 500 cases

Brix at harvest 22 to 24.

pH 3.6

T/A 6g/l

Tasting Notes

Densely coloured with beautifully fragrant bouquet of forest berries and earthy undertones. Ripe Sweet Fruit Flavours with a solid underlay of tannin and rich complexity. Harvested from our 4 vineyard sites this wine has great complexity and consistency, we use different ferment temperatures to get a range of fruit expressions into the wine from ester fruity, through to dark brooding aromas, Our use of French and American Barriques adds complexity and softness to the wine, Great drinking on release but will age well for up to 7 years from vintage.
