Kids Faith Program

We started a new unit this week, all about the miraculous life of Moses. We heard the incredible story of how God saved little baby Moses from Pharaoh's soldier, and how he was adopted right into Pharaoh's own family!

Talk about it! Sometimes it's hard to believe that God is in control, especially when people believe they are in control of themselves. But the story of Moses's rescue shows us how God has the last word: from making sure the soldiers never looked where Moses was hidden, to delivering Moses to a kind-hearted Egyptian, God was on top of it!
