"...and after giving thanks he broke them..." (Matt. 15:36)

## POWER OVER FOOD

We had an amazing super sized lesson last Sunday (with many thanks to Judy for helping out while Stevie was sick!) We baked up some delicious bread and heard about a time when Jesus fed 4000 hungry people with just a few rolls and fish! They even had leftovers! Jesus was human, and he knew what it meant to feel hungry. He didn't want any of the people who were listening to him to feel that way, and he worked an amazing miracle to help them.

Talk about it! There is still a lot of hunger in the world. It can be hard to understand why God would let people be hungry when Jesus could feed 4000 people with less than our family might eat in a day. Talk about the ways that God works in our world to provide food for everyone. The PWS&D website has lots of information about how our church helps ([presbyterian.ca/pwsd/](http://presbyterian.ca/pwsd/))
