"Go therefore and make disciples of all nations..." (Matt. 28:19)

THE APOSTLES SPREAD THE WORD

An angel appeared to Philip, one of Jesus's disciples, and told him to head out on the road into the wilderness. As Philip followed the angel's instructions, he came upon an Ethiopian man sitting by the side of the road in his chariot, reading a scroll from the Old Testament. Intrigued, Philip asked the man if he could understand what he was reading. The Ethiopian explained that he was an eunuch, and wasn't allowed to participate in the temple or study with the religious teachers of the time. "How can I understand, unless someone guides me?" Philip sat with the man and explained the scroll, and how the prophecies made in the Old Testament came true in Jesus. The Ethiopian man asked to be baptized, and Philip did it right there and then!
