GRACE AND THE LAW

This week we heard two different stories about how rules and the law are changed by God's grace. In Kids' Faith, we heard the story of the Prodigal son. He insists on taking his half of the inheritance early, and runs off and wastes it on "wild living". Once he's broke, he starts to think back on how easy he had it in his Father's house, and he decides to go back and ask his Father for a job, he has ruined his chance of being welcomed home as a son, but at least as a servant he'll be fed and have a warm bed. His father's reaction to his return is completely unexpected; his father welcomes him with open arms and throws a party!

Talk about it! ! Over the last few weeks we have been learned no about the reasons communion is so important to our faith as Christians. Do you ever picture a god throwing a party while we take communion? Celebrating the fact that each one of us is turning from our sin and turning back to God?

Happy Birthday!
