# Welcome

Happy you have embarked on a journey that will transform your life. I know personally because over 7 years ago while in college I got saved. I accepted Jesus Christ as my Lord and Savior, and that was the beginning of a new journey for me.

Now, this is your new journey, and this resource was created to help you blossom in God through faith. Faith is built through our personal relationship with Jesus Christ.

Today, your new beginning starts by deciding to *Seek Him*.

# First Steps

Now that you have accepted Jesus Christ as your personal Lord and Saviour, it's time for you to add some new resources to your life.

## Starting Strong

01

### **Bible Reading**

Start small by reading a verse a day or even choosing a book in the Bible to read each week. The Bible can help you understand God more while learning more about yourself. You can download the BibleApp on your phone, which will allow you to have it at your fingertips. And we do recommend to get a Bible translation that is easy to read and understand.

02

## Prayer Journal

Having a notebook or a journal will help when you feel something tugging on your heart, but can't quite express yourself verbally. Journaling to God opens up a conversation with the Holy Spirit that digs deep into your your feelings, fears, and desires.

03

## WORSHIP

Worship will help you and lift up your spirit when all is focused on God. Create a playlist of some great Christian music and jam out during your downtime, studying, working out, or Bible study.

A woman is shown from the waist down, wearing a light pink blazer, white pants, and beige heels. She is holding a large bouquet of pink flowers. The background is a plain, light color.

*Run*

into the arms of  
your  
loving Father!

# Run

God doesn't require us to just think to go after Him when we feel like it or when things are good, but God wants us to run after Him! To Seek Him in all the areas of our lives and to include Him even in the places we are unsure. God wants you to run after Him!

Running After God!

# God Knows You!

## Run Devotional

When all we see are our failures, insufficiencies, insecurities, or backsliding ways, we can believe that is all God sees. However, the truth is God Knows You! Not, just you today, but the you before. You before the trauma, hurt, insecurities, heartbreak, upbringing, or rape. God knew you then and that is why He loves you so much. All you see is a dirty, distorted, or broken view of yourself. But God sees the pure you. The gifted, powerful, and full-of-potential you. God knew you before you were formed in your mother's womb. He knew you before all the hurt and fears. God loves you because He knows the real you.

“Before I formed you in the womb, I knew you. Before you were born, I set you apart; I appointed you as a prophet to the nations.” Jeremiah 1:5

# Pressing Forward

## Run Devotional

Each day we have to press forward. Pushing and forcing ourselves out of the negative talk, unfruitful decisions, regret, or embarrassment. Pressing forward starts with *desperation for a change*. The chapter of life you are currently in is no longer enough. The season of inadequacy is no longer acceptable. The mountains in your life are no longer mountains. You must press on the issues that keep you from being all that God has called you to be! Today press your way through the crowd. Press your way through the temptation. Press your way through the fears. Press your way through the doubt. And press your way into your next season. You aren't waiting on God. God is waiting on You to Press Forward!

“I press toward the mark of the High Calling in Jesus Christ.” Philippians 3:14

# At His Best

## Run Devotional

Our fire isn't always 100%, and some days we let doubt, weight issues, and fear get the best of us. However, even in those bad, tired, lacking moments, God is still At His Best, working behind the scenes of our lives, making sure everything works out for our good.

He is guiding and protecting us.

Even when we feel unlead, He is Leading.

Even when we feel lost, He has Found Us.

Even when we feel alone, He is Near.

Even when we feel broken, He is Healing us.

We are at our best when we trust that He is At His Best in our lives.

Even on our worst day, God is still At His Best!

“And we know that in all things God works for the good of those who love him, who have been called according to His purpose.” Romans 8:28

# Change Your Garment

## Run Devotional

I realized the issue with trying to put on old garments is that it's no longer you. So you can wear a certain thing, do a certain thing, but while you're doing it you know it's just not you anymore.

You try to force yourself into something that doesn't fit you, but you are determined to wear it.

These old garments remind me that sometimes you gotta let it all go! They were from a previous season, but now you don't need them. They once played a role in your life, but now you have new garments, and these garments reflect the now you. The new and improved you! The one that now loves herself, the one that has stopped settling, the one that has a heart for God. The one that has a vision and is pursuing it daily. Yes, those old garments don't come close to this new one that you wear daily. You deserve to wear something that makes you feel beautiful, worthy, wanted, adored, and loved!

Clothe yourself in a new garment!

“Clothe yourselves with the Lord Jesus Christ, and do not think about how to gratify the desires of the flesh.”Romans 13:14

# Courage

to stand!

# Courage

In this journey you must embrace courage. The courage to stand with the Lord when no one else is. Or the courage to be patient when everyone around is gaining. Your courage matters because God uses it to make you better and take you to new heights in Him.

*Awaken Your Inner Courage*

# Finding Your Courage

## Courage Devotional

When we think of courage we think of someone standing tall and brave and going against an army or something. However, we see in the Word it can be translated as “take heart”. Courage starts in the heart. This is a heart decision, not just one of the mind.

When we look at our lives we see seasons that we had to take heart. Seasons when we had to push ourselves past obstacles, decide to sit in heart-break or push past fear. Taking heart or being courageous isn't always standing tall. The truest form is letting go.

True courage is not revealed in our own strength, but when we turn our hearts to Gods will. We may look weak, but we really are strong due to the One we trust!

“David shouted, “You come to me with a sword and a spear, but I come to you in the Name of The Lord...” 1 Samuel 17:45

# Prayer Journaling

## Courage Devotional

Over 4 years ago, my sister handed me a journal with pretty writing on the cover that said “Be You, Be Beautiful”, not knowing for the next 5 years this would be my window to escape, a secret place to find clarity, serenity, and healing. Prayer Journaling is now a part of my everyday routine. This was a major key that kept me centered in God. Even when my roommates were throwing parties, I could put my headphones in and get lost in conversation with God. This personally developed me to be better at communicating my feelings with others, and it gave me the opportunity to be vulnerable to God. It gives me freedom from my mind, it pours out all the junk...the good, the bad, and the ugly. I’ve learned we are our strongest when we’ve acknowledged our weaknesses and released them to God. Prayer Journaling can do that for you!

“When you pray, go into your room and shut the door and pray to your Father who is in secret. And your Father who sees in secret will reward you openly.” Matthew 6:6

# Don't Be Moved

## Courage Devotional

Overwhelmed... Lost... Stuck... Passionless...  
We all can find ourselves in seasons that leave us confused or lacking in faith. Do Not Be Moved from the place God has you planted. Trust that God is in the midst of your struggles and you are not alone. Your Blessings are on their way, just wait until daybreak! Prepare for Your Blessing!

“God is in the midst of her; she shall not be moved: God will help her when morning dawns.” Psalms 46:1

# Trust

Him through all things!

# Trust

Trusting God with the depths of you! Open up your heart to the massive move God wants to do in your life. It starts with trusting Him every step of the way!

*If you can trust you can be Free!*

# No Other Door

## Trust Devotional

Starting with a new mindset can really be a game changer. If we have the same mindset from last year we will continue to see the same results.

However, this year is a year of open doors. What if you looked at each day, each obstacle, each worry, and each failure as an open door.

Maybe you failed, maybe you were broken, lost or in despair. Maybe you felt stuck in life with no real direction. Well, don't worry. That is in the past! Today, you have a renewed mindset that sees everything as an open door that you can now walk through to your next season.

Walking through your open door starts with desiring more of Christ. He is the Door and He is calling you to come closer. Embrace the Open Doors right in front of you and stop holding on to the closed doors of your past!

**This is The Year of Open Doors!**

“But he that entereth in by the door is the shepherd of the sheep.” John 10:2

# Slow Down & Reflect

## Trust Devotional

Beginning again starts with us deciding to slow down and reflect on ourselves inwardly, the thoughts we have had, inner conversations, and get back to the feet of Jesus. Our visions come from Him and through the Power of the Holy Spirit. The more we are at peace inwardly, the more we can hear that little voice inside that will uplift us and sustain us for the vision. Today, do big in your life by slowing down and removing a lot of the noise and fears.

“But few things are needed--or indeed only one. Mary has chosen what is better, and it will not be taken away from her.”

Luke 10:42

# Be Brave, Daughter

## Trust Devotional

How would you walk, talk, think, and dream if you embraced being strong and courageous? We all have insecurities and an inner negative voice that tells us everything we are not, and what we lack in. However, God expects us to be firmly planted in Him. No matter the winds that come, we can say “Peace, Be Still” and know that we can move forward in peace. Choosing to be brave is when you push past insecurities, negative views, and become everything God says you can be. Today, examine your life and choose the areas you can be braver in, and don’t forget the Lord is with you wherever you go!

“Have I not commanded you? Be strong and courageous. Do not be afraid; do not be discouraged, for the LORD your God will be with you wherever you go.” Joshua 1:9

# Focus On Jesus

## Trust Devotional

Have you noticed that the more we focus on life's problems and less on God, the more we begin to drown in fear, anxiety, doubt, and uneasiness. In the midst of life's storms, we must be willing to keep our focus on Jesus. Even when things get blown away or we feel as if we are in the lion's den, God says, "Keep your eyes on me". Don't look left or right when the sounds of the winds get too loud or the roars are more than you can handle; keep focusing on God.

Refocus Today!

"Why am I discouraged? Why is my heart so sad? I will put my hope in God! I will praise him again--my Savior and my God!" Psalm 43:5

# Summer Showers

## Trust Devotional

During the hot summer days, we can long for a touch of relief. The scorching heat dries up the grass and many outdoor functions come to a halt. However, when we find ourselves in similar seasons of being overwhelmed and overlooked, or when everything looks dead, or when we have had enough, just when the heat of the test in our life is smothering us, HE BRINGS RAIN. He brings a freshness that we so desperately need. He brings peace after the storm. He brings provision. Don't allow the dryness of your season to keep you from experiencing your summer shower.

“You care for the land and water it; you enrich it abundantly. The streams of God are filled with water to provide the people with grain, for so you have ordained it.”  
Psalm 65:9

*Peace*  
Be Still!

# Peace

God doesn't require us to just think to go after Him when we feel like it or when things are good, but God wants us to run after Him! To Seek Him in all the areas of our lives and to include Him even in the places we are unsure. God wants you to run after Him!

*Walk in Peace!*

# Go In Peace

## Peace Devotional

Stepping into your greatness you must have Peace. When you Go In Peace, you move forward in the security, well-being, and assurance of God. You pick the college in peace, you sign the child up for daycare in peace, you take the new job in peace, or you take that leap of faith in peace, knowing God will catch you. Move forward into the next season of life in peace knowing that God has Made You for Greater.  
Go In Peace.

“Daughter, your faith has made you whole. Go In Peace and be healed of your affliction.” Mark 5:34

# New Sight

## Peace Devotional

We all have experienced a day or season without peace. Peace is absent when we no longer have faith.

It is our lack of faith and sight that causes us to not embrace the gift of peace that God has for us. Once we see ourselves and situations clearly through the eyes of faith, then we will have the courage to embrace Peace every day.

Today, choose to disable the issues that keep you from experiencing Peace. Embrace your New Sight that chooses Faith over everything.

The peace you desire in the next minute depends on the faith you choose to have in this second.

“Return to your rest, my soul, for the LORD has been good to you.” Psalm 116:7

# Work In Grace

## Peace Devotional

Working in Grace is all about doing your daily work, but still being able to see the big picture.

Many of us find ourselves frustrated with life when we can no longer see the big picture.

As everyday women, we get weak, exhausted, and overwhelmed, but God's power is perfected in our shortcomings. God's power is revealed when we are working towards the mission.

God's power is flowing through us in our weakest moments to carry out His purpose. As we work, our goal is to work in Grace. Grace is mercy, freeness, and favor that has been granted to us through God. No matter if we are chasing the toddler, studying for the exam, or working long hours on the job, we can do it in Grace. We can do it with peace and mercy!

Whatever You Do, Do it In Grace!

“Whatever you do, do your work heartily, as for the Lord rather than for men.” Colossians 3:23

# Seek

Ask, and it shall be given  
you; *seek*, and ye shall  
find; knock, and it shall be  
opened unto you:

Matthew 7:7

# Prayer

Father, Today I invite you into my heart and life. I give you full authority to have your way in me. I believe in the Lord Jesus Christ, that He died for me and rose from the dead. I believe He sits at the right hand of the Father Almighty and I believe that He has made me new through cleansing me from sin.

Father, I know you love you me, now please teach me and show me how to love you.

May I walk with you and talk with you all the days of my life.

In Jesus Mighty Name  
Amen.
