Garden Opening, Art Gallery and Enterprise Stalls

Thank you very much for the support you have given to us with these events today. Visitors to school have complimented the school on the support you all show.

Poly tunnel: We hope this will be up by the time you are reading this newsletter. Thank you to all who helped out with equipment.

Dens: unfortunately we have had to stop all children making and playing with dens on the top field. This is a real shame as den building can be a superb opportunity for children to work together independently and problem solve. Unfortunately some children have demonstrated they are unable to do this safely yet so we have had no option but to stop this activity for the time being.

After School Club: There is a space for your child! Fun activities and care from end of school until 5:45.

Breakfast club: as of September, we will have to raise the cost of breakfast club to £1.50.

Please try to let the Office know in advance if your child is to attend either club.
