INTRODUCING...

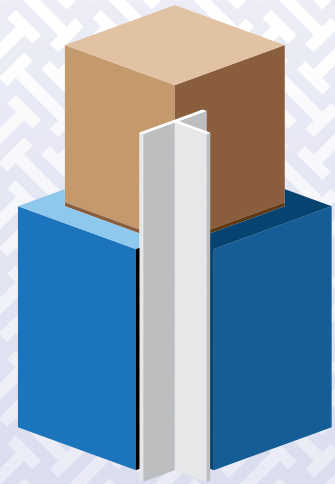

BIRDS MOUTH TRIM

B.A.T. Trims new BIRDS MOUTH TRIM (BMT) is a versatile product which can be used for both domestic and commercial applications.

EDGE LIGHTING

The BMT can be used in conjunction with LED strips to make a bold statement in any room.

COLUMNS AND PIERS

The use of the BMT will provide a clean and concise square finish to the external corners without the need to mitre the edges of your tiles or stone.

SHADOW LINE

Elegantly adds the finishing touches to the joining of your wall and ceiling creating a 'shadow line' effect.

AVAILABLE IN

6 Sizes: 8, 10, 12, 15, 20 & 25mm
2 Finishes: Mill Finish, Matt Silver.
Other Colours Available upon Request.
