**Central Bank of Kansas City and Partners
Make Their Mark During Annual Pay Awards**

Dell Rapids, S.D. – Central Bank of Kansas City (CBKC) continues its ascension as a top-of-mind payments issuer by announcing today that its Central Payments division and two of its partners have won four prestigious Pay Awards, including two Best-in-Category honors. The winners include:

Best-in-Category: Consumer Champion – ChimpChange Prepaid Mastercard®

Best-in-Category: Best Mobile App – ChimpChange Mobile Banking

Winner: Prepaid Startup of the Year – ChimpChange, LLC

Winner: Outstanding White-Label Program –Select Mobile™ Money

As Best-in-Category winner in the Consumer Champion and Best Mobile App categories and a winner in the Prepaid Startup of the Year category, ChimpChange is financially empowering consumers by providing a low-cost alternative to traditional banking products with an enriched user experience. ChimpChange uses proprietary predictive technology to create easy to understand bar charts and wheel graphs for at-a-glance spending breakdowns.

As a winner in the Outstanding While-Label Program category, the Select Mobile Money program is a joint program management venture with Digiliti Money, Inc. CBKC's custom-branded prepaid card program is complimented by Digiliti Money's mobile app technology and acquisition websites. The platform allows for rapid, low-cost deployment for clients and is the preferred prepaid card product of ICBA Bancard®, the payments services subsidiary of the Independent Community Bankers of America® (ICBA).

“We are honored to be a part of two great payments products,” said Trent Sorbe, President of Central Payments. “These awards are a testament to the collaborative approach we take with partners delivering cutting-edge technology on top of the safety and stability of our bank-issuing platform. We have enjoyed our partnerships with ChimpChange and Digiliti Money and look forward to continued growth and innovation.”

For more than a decade, the Pay Awards honor excellence and innovation in prepaid and payments technology worldwide. The awards are presented annually by Paybefore, whose publications are a leading source of industry information for payments executives. Central Payments' partners were selected as winners from a field of global entrants by a panel of industry expert judges.

About Central Payments and Central Bank of Kansas City

Central Payments operates as the payments division of Central Bank of Kansas City (CBKC) and administers prepaid card programs issued by CBKC via retail, employer/payroll, and online outlets nationwide. CBKC is a 66-year-old family-owned bank located in the heart of Kansas City, Mo. and one of 136 financial institutions in the country certified by the U.S. Treasury as a Community Development Financial Institution (CDFI). CBKC and Central Payments share the

mission to provide high-quality financial products to consumers of modest means who historically have not enjoyed the benefits of affordable and accessible financial services. “Treat Each Customer’s Balance as Though It’s All They Have” guides our approach to product design, customer service, and affordability. Member FDIC.
