**A range of services at competitive rates! SMART by name,
SMART by nature, so give us a try...**

Home Improvements (Handy Man) We'll do any of those odd jobs around the house for you, whether it's putting up shelves and furniture, hanging pictures or painting and decorating. Anything from fitting kitchens or bathrooms, tiling, plumbing washing machines and dishwashers to laying laminate flooring, any job we'll be happy to help.

Garden Maintenance We'll look after your garden for you, pruning, mowing, weeding and general garden maintenance, decking and fencing and assembling sheds too!

Carpet Cleaning Replacing dirty, faded or stained carpets in a home can be extremely expensive. Have your carpets and rugs cleaned, you'd be surprised how much of a difference this can make!

Ironing Services By the end of the week that ironing basket can look very daunting. We'll iron your clothes and linen and then deliver it back to you. You'll never have to worry about the ironing again!

Domestic and Commercial Cleaning for End of Tenancy and after Building Works We'll do a full clean of your property at the end of your tenancy, to help you secure that deposit!

CV Writing Looking for a job and don't have a CV or covering letter, or maybe you just want to spruce up your CV? We offer excellent CVs, written to a professional standard at competitive rates!

Typing Service We offer a professional, outsourced typing service and take pride in operating a Fast, Reliable, Efficient and Confidential Service to anyone from individuals to businesses.
