

CHAMPIONSHIP SHOW 14th October 2012

judge: **Mrs. Jodie Sing - Pranksta - N.S.W.**

Thank you for your invitation to judge your show.

It was my first time to South Australia and I thoroughly enjoyed the experience.

The committee is to be congratulated on the smooth running of the show and for the way I was looked after.

Thank you to Sharon for chauffeuring me and to my wonderful host Carol and Terry Smith, a warm thank you for your hospitality.

I'd like to thank those that entered their dogs and for taking my decisions graciously.

On a whole I think there are a few things that need to be addressed. I found some exhibits larger and of heavier bone, short legs with longer bodies and overloaded shoulders heavier ears and fleshier muzzles.

A Stafford is meant to be balanced, a correct blend of bull and terrier without too much bull or too much terrier. A nice medium, small eyes on some exhibits given an untypical mean expression, heavier ears with thick leathers are also untypical, all of these points can be addressed when breeders are breeding and looking for lines and virtues to introduce.

General fitness was a concern in some exhibits being overweight, and no muscle definition, Staffords need this not only for showing (presentation) but general wellbeing.

In my winners I found balanced, quality exhibits possessing type, presentation, preparation, it is those finishing touches that also matter, anything deferring from this is only an injustice to your dog as it is after all a beauty pageant.

Bitches were stronger for me on the day, only a small amount of exhibits had minor mouth faults which was pleasing.

Thank you once again for your entries.
