CHAMPIONSHIP SHOW
19th October 2014

judge: . **Ann-Charlotte Holman - "Borolo" (Qld)**

BEST IN SHOW.....***.....R/U BEST IN SHOW**

** Depicts class in Show

This show was an Opposite Sex system

To the club, committee and members, and exhibitors:

I would like to thank the club for inviting me to judge your show. I had a most enjoyable day, and was very impressed with the quality of the dogs presented to me. There were so many dogs and bitches with excellent breed type, correct expression, and correct movement when walked. And there are so many youngsters, of both sexes, of excellent quality. Thank you to all exhibitors who showed under me.

The committee did a fantastic job, and my steward and the show secretary made sure that everything went well, all day.

Despite the heat, none of the dogs were dehydrated, and I did not notice any dog with breathing problems, they were all fit and healthy. Judging by the quality of the youngsters, I think most of the issues we have in our breed are being addressed by breeders and the breed is improving in soundness and balance, dentition were overall very good, angulation is better, and length of ribcage and toplines are improving.

Again thank you to all of you
