

The Staffordshire Bull Terrier Club of South Australia Inc

CHAMPIONSHIP SHOW 13th October 2012

judge: **Mrs. Sylvia Barkey "Rolona" (Canada)**

In all, I would like to add a note to all the exhibitors. Firstly, I thank you for your exhibits. There is a lot of quality in your Australian Staffords and I saw many dogs/bitches that would be welcome in my kennel. For the most part, exhibits had good teeth and wonderful feet. They moved well. All had good heads, my judging didn't have to dwell on quality in that area and I think my critiques reflect that.

The dogs were well behaved and well presented. All of the exhibitors were sportsmen/women, without exception. Your show was a pleasure to judge and a joy to attend. I thank each and everyone of you, from the bottom of my heart.

Pleasant showing, and looking forward to seeing the fruits of your labours in the future,

Sylvia Barkey.

A brindle girl of good quality. She has an excellent head with good expression. Good neck, flowing into a tight front. I would like a longer upper arm. She has fine length of body, with a good topline. She could use herself better behind when she moves, I find her lacking in drive. I am sure this can be improved upon with condition and age.

This piebald dog is well put together. He has a strong head but could use a little more fill under his eyes, which are of a nice size and shape. He has a powerful neck moving into a lovely front assembly. He has fabulous, well sprung ribs, a good topline, strong loin. He has a good, well angled rear. Although I would like a slightly fuller head, the body and structure of this dog put it in first place.

A contender for second place, this dog is a well presented dog, of quality. He has a lovely head and a fine, dark eye. He has good bone. Topline is level. I faulted him on his slightly high set tail, but otherwise a dog who will do a lot of winning in the ring.
