Author bio:

Kali Willows is a multi-published, award winning and Amazon Best-Selling author who shadows worlds of passion & intrigue.

Born and raised in Toronto, Kali now resides in the exquisite eastern Ontario countryside where she enjoys the serenity of nature. When she isn't busy being the married mother of two, publicist and event planner extraordinaire, she shadows worlds of paranormal passion & intrigue.

Kali strives to create emotional, compelling stories and characters you can't help but love, hate and cheer for. Captivated by her love of dragons, gargoyles and everything paranormal, she pens these delightful creatures into epic tales of romance and adventure and often infuses her passions of martial arts, music and ironic twists even she didn't foresee.

A good cup of tea with the crackling fire gets her creative juices flowing in the wee hours of the night, when the house is quiet and she can type away to her heart's desire. Learn more at: www.kaliwillows.com
