

**"A child is a
gift whose
worth
cannot be
measure
except by the
heart."**

- Theresa Ann Hunt

FAMILY CENTER HOME VISITING
NORTHLAND, PINE RIVER-BACKUS, PILLAGER

Offering HOPE and helping families THRIVE...

*"I went from no hope to having accomplished a lot more than I ever imagined I could."
"[The Home Visitor] taught me to believe in myself."*

Family Center Home Visiting has been serving our community for almost 10 years! Since 2006, over 300 Cass County families have received home visits!

Family Center Home Visiting is a free program through the Pine River-Backus, Northland & Pillager Family Centers. Home Visiting begins prenatally or before your child is 3 months old and continues through their third birthday. Weekly home visits are filled with fun activities & information about your child's development. From charting their first milestones, to identifying qualities and characteristics you want in your child, Family Center Home Visitors help you, as a

parent, pick out what is important to you and create ways to instill those same values in your children! Connect with your local Family Center to learn more about Home Visiting & other parenting resources in your community!

Serving Families Prenatally through 3 years old

Whether you are a first time parent or a fifth time parent, Family Center Home Visiting can help strengthen your family, encourage you as a parent, and help prepare your children for school and learning. Starting prenatally through your child's third birth day, Family Center Home Visitors offer resources and support to help you learn alongside your baby as they grow and develop.

Growing Great Kids & Growing Great Families

As a strengths-based curriculum which promotes parent-child relationships and healthy childhood development, Growing Great Kids & Growing Great Families offer: fun activities that support your child's growth and development, ideas for making age-appropriate toys from common household items, and creative self-care techniques for parents and caregivers.
