

PLEASE JOIN US IN SERVICE

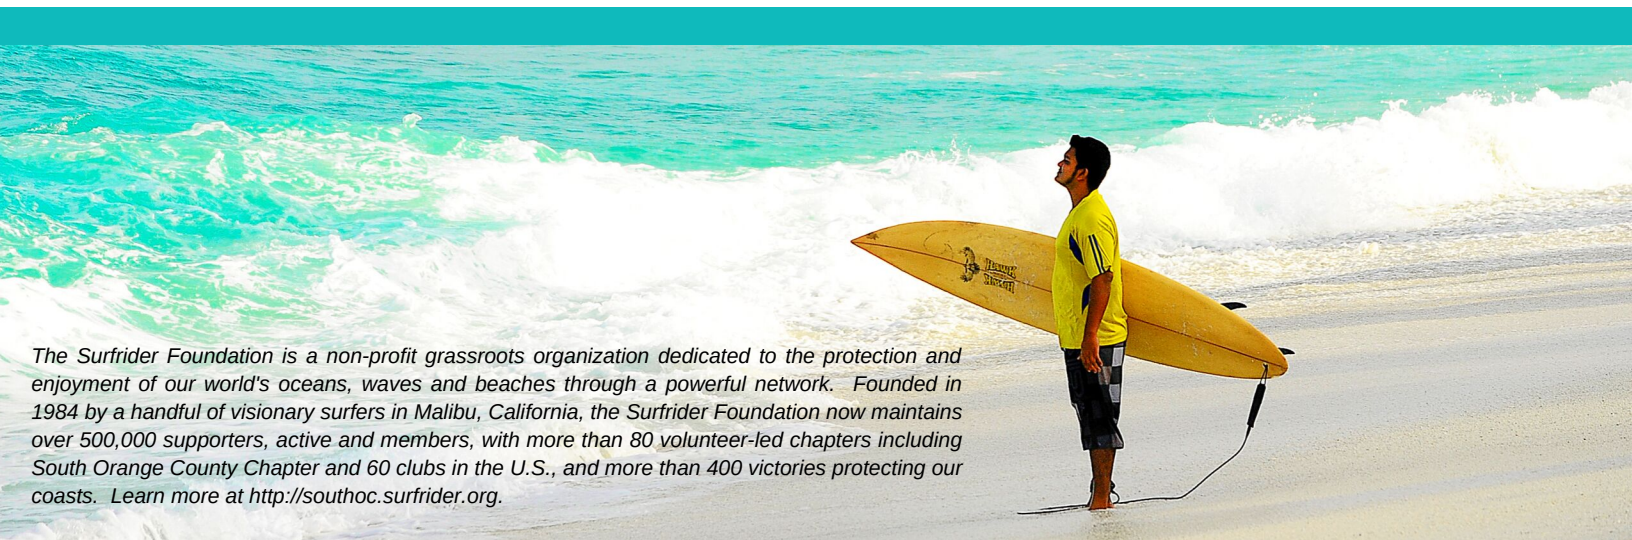

Saturday, October 19th
9:00 am to 12:00 pm

ALISO BEACH PARK
3113 S. PACIFIC COAST HWY., LAGUNA BEACH

More than 8 million tons of plastic are dumped into our oceans each year.

Please join The Standard, CrossPlans and the Surfrider Foundation of South Orange County as we partner to host our third annual beach clean-up event. We're committed to making a positive impact on our community and environment. Family and friends are welcome. This is an excellent way for students to earn service hours.

We will offer refreshments and other giveaways, including a 10:00 am drawing for a grand-prize surfboard by Album Surfboards (must be present to win).

The Surfrider Foundation is a non-profit grassroots organization dedicated to the protection and enjoyment of our world's oceans, waves and beaches through a powerful network. Founded in 1984 by a handful of visionary surfers in Malibu, California, the Surfrider Foundation now maintains over 500,000 supporters, active and members, with more than 80 volunteer-led chapters including South Orange County Chapter and 60 clubs in the U.S., and more than 400 victories protecting our coasts.
