

Wanneroo HPC Tenacity Award and Luke Simpkins Award

Each year WHPC gives members an opportunity to nominate worthy riders for the WHPC Tenacity Award and the Luke Simpkins Award. Nominations close 31 October. Please state the reason for nomination and an example of the attribute exhibited.

The **WHPC Tenacity Award** is given to recognise the rider who shows determination and perseverance to participate in spite of difficulties. It does not have to be the rider who excels, but one who demonstrates resolve to continue even though the day is not going as they would hope at rallies, club activities and outside competitions.

The aim of the **Luke Simpkins Award** is to celebrate the achievements of a rider who has shown determination to succeed and passion for their sport. The rider is competitive and always demonstrates outstanding sportsmanship. They are committed to the training and continued development of the horse and rider combination. They represent their club with pride.
