PART OF HUNGER AND HOMELESSNESS  
AWARENESS WEEK

## Move out - Dine in

*Bring in a box of supplies & share a free Pizza lunch*

When our clients move from homelessness to housing we try to start them out right, setting them up with the supplies all households need. We're asking you to fill a box with the things you would want. Pack a laundry basket with detergent and towels, fill a trash can with cleaning supplies and toiletries, get creative! Our clients need all of the bedroom, bathroom and kitchen supplies you can think of. Coordinate with family or coworkers to fill a box and drop it off at the Delonis Center between 11:30am and 2:30pm and enjoy some free pizza and our gratitude!
