TWO AUTHORS YOU SHOULD READ

Lucia Berlin (1936-2004)

Lucia Berlin was an American short story writer. She had a small, devoted following, but did not reach a mass audience during her lifetime. She rose to sudden literary fame eleven years after her death, in August 2015, with Farrar, Straus and Giroux's publication of a volume of selected stories, *Manual for Cleaning Women*, edited by Stephen Emerson. It hit *The New York Times* bestseller list in its second week, and within a few weeks, had outsold all her previous books combined. *Evening in Paradise*, the latest collection of stories, was published in 2018.
