

STAMP COLLECTION

THE RAILWAY HERITAGE HAS A LONG HISTORY. SOME
STAMPS CAN TELL US MANY DIFFERENT PARTS OF IT.

TRAIN AND PHILATELY

In 1840, England introduced stamps into its postal service (a creation of Sir. Rowland Hill); this is how the philately was born. Since then, we can build the World History through images! Only a few important moments can not be found on stamps or other types of philately materials whether used envelopes or first-day cover, postmarks, postal cards or stickers.

TRAIN AND PHILATELY

The train could not be an exception of this rule!

Thus, my intention is to show my collection of philately work through sets of five stamps per time. Due to that, the stamps will have a chronological order only in its own set.
