

THE INFIDEL TIMES

ISSUE #1-Nov 9 to Dec 5

By Infidels, for Infidels!

Captain Planet

While the real world is fighting the Islamic plague-Barack Hussein Obama spent his time at a climate change convention in Paris. Unbelievable! Ole'Barack and his liberal minions, seem to think ISIS is a consequence of climate change! I guess climate change starts at the same time as Islam. FYI: the temperature outside doesn't matter if your beheaded!

TODAY'S "RELIGION OF PEACE"

QUOTE:

"FIGHT THOSE WHO BELIEVE NOT IN ALLAH
NOR THE LAST DAY, NOR HOLD THAT
FORBIDDEN WHICH HATH BEEN FORBIDDEN BY
ALLAH & HIS MESSENGER NOR ACKNOWLEDGE
THE RELIGION OF TRUTH, EVEN IF THEY ARE OF
THE PEOPLE OF THE BOOK [JEWS & CHRISTIANS],
UNTIL THEY PAY THE JIZYA WITH WILLING
SUBMISSION, & FEEL THEMSELVES SUBDUED."
QUR'AN 9:29

ISIS Terror Comes to America!

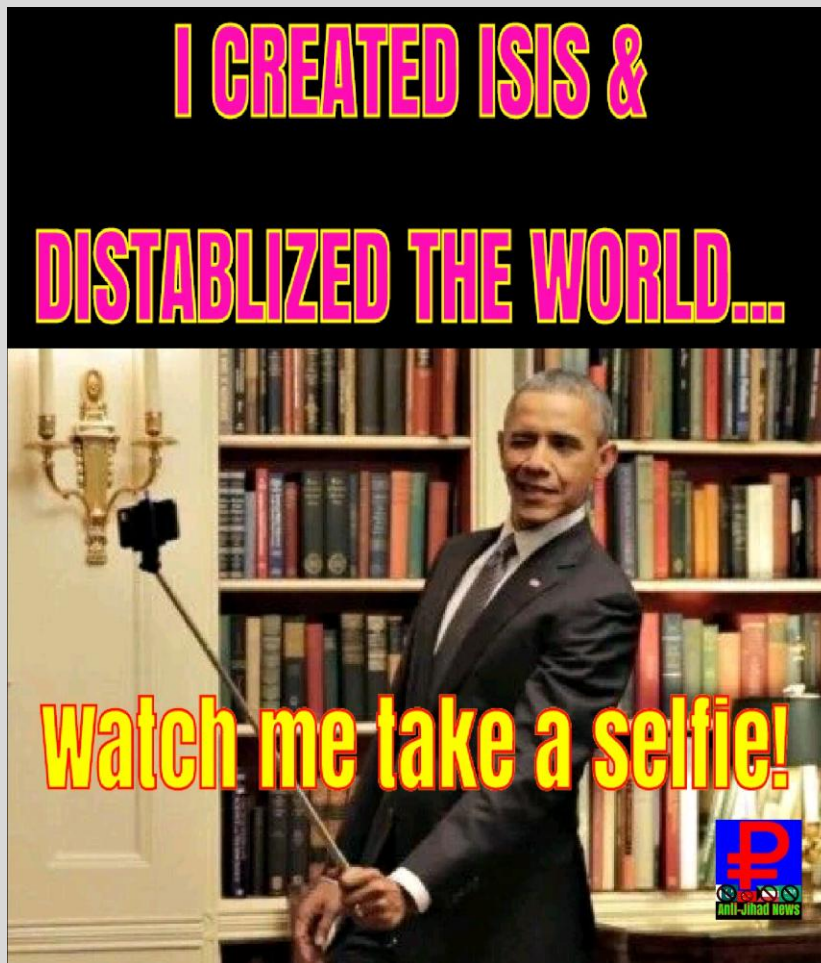

The bloodiest terror attack since 9/11 happened on December 2nd at San Bernardino, California. 2 Islamic crazies decided to shoot-up a state office that assisted people with disabilities. 14 were murdered, 21 wounded. Our Imam and Chief reaction is to pretend that the cause was guns, instead of Islam!

Did you know? Moderate Muslims are like unicorns-rare and not real!
