

POSITION PROFILE

Statewide Technology Project Peer and Community Engagement Manager

Rancho Cordova, California

August 2018

ABOUT CalMHSA

The California Mental Health Services Authority (CalMHSA) is a Joint Powers of Authority (JPA), formed in 2009, for the purpose of, creating a separate public entity to provide administrative and fiscal services in support of the County Members' Mental/Behavioral Health Departments acting alone or in collaboration with other counties.

www.calmhsa.org

Mission Statement

The mission of CalMHSA is to provide member counties a flexible, efficient, and effective administrative/fiscal structure focused on collaborative partnerships and pooling efforts in:

- Development and implementation of common strategies and programs
- Fiscal integrity, protections, and management of collective risk
- Accountability at state, regional, and local levels

Purpose Statement

Promoting Efficiency, Effectiveness and Enterprise among Counties and Cities

POSITION OVERVIEW

Provide overall policy, administrative, and practice-level expertise and guidance to the Multi-County Technology Innovation Project, assuring the overall project aligns with the interests and needs of the diverse consumer population represented by participating counties. Interface with and advise local county leadership and implementation teams, local and state Peer organizations, local and state advocacy organizations, the State Mental Health Oversight and Accountability Commission (MHSOAC), and other state system partners, to assure this Innovation project is responsive to and informed by the voice, strengths, and preferences of Peer/Community end-users.

Education and Experience

The position requires executive skills, personal lived experience, and a history of working in large mental health systems. The ideal candidate is familiar with the California Medi-Cal Specialty Mental Health system, is knowledgeable and experienced in working with local and national Peer Advocacy and Peer-Run organizations, and has a deep understanding of, and commitment to, insuring that service delivery systems are designed to respond to culturally and socially diverse consumer populations while staying informed on progressive national and international standards and practices.

The candidate should have a demonstrated collaborative leadership style and an affinity for innovative projects and an interest in shaping and advancing new technology-based consumer services. The Statewide Peer and Community Engagement Manager is expected to work interdependently with multiple project teams and external stakeholders with grace and enthusiasm, while insuring that all partners stay focused on achieving the best results for the populations we serve.

- Degree in healthcare administration, health/mental health service delivery, organizational development, or related field.
- Must be a person with lived experience as current or past consumer of mental health or co-occurring behavioral health services.
- Seven to 10 years leadership experience in working in Peer-run, Peer advocacy, and/or Peer education and support services.
- Program and project management experience.
- Excellent speaking and writing skills.
- Excellent collaboration and team-focused skills and experience.
- Possession of a valid Class "C" Driver's license is required upon appointment.

Compensation

The annual salary is dependent upon experience.

Benefits

- Medical paid 75% for employee
- Dental, vision, long term disability and life insurance paid 100% for employee
- 15–20 days of PTO per year (dependent on length of service)
- 11 paid holidays
- 401K with employer match
- Employee Assistance Program for employee and dependents

Application Process

1. Submit a cover letter, salary requirements and resume to maya.maas@georgehills.com—no walk-ins please.
2. Resumes will be reviewed by HR staff and administration.
3. Phone screenings will be conducted by HR staff.
4. One to two in person interviews will be conducted with the supervising manager and other staff.
5. Following the first interview, candidates may be asked to complete an assessment related to the position for which they are interviewing.

The purpose of this profile is to provide general information and assist potential candidates in determining interest in applying for this position. The information provided is not all-inclusive.
