COMMUNITY NOTIFICATION

Re: Street Renaming of a portion of Maryland Avenue in Glendale to Artsakh Avenue

At the regular City Council meeting of March 13, 2018, Council directed City staff to proceed with the street renaming process for a two-block portion of Maryland Avenue between Wilson Avenue and Harvard Street (the 100 North Maryland Avenue and 100 South Maryland Avenue blocks) in Glendale (see below map). The proposed new street name is Artsakh Avenue.

The Community Development Department is conducting a public comment period to allow the community to provide feedback on the proposed street name change. A public hearing and additional 10-day public notice will also take place for Planning Commission and City Council meetings tentatively scheduled to take place in 3-4 months.

If you have any comments or concerns, please provide them by **April 30, 2018** in the form on the following page. Please direct any related questions to **Case Planner: Cassandra Pruett, cpruett@glendaleca.gov, (818) 937-8186**.
