

***'Taking responsibility for organising your end of life wishes'***

## ***An Introduction to 'Leaving Gracefully'***

**Presented by Beverley Bulmer**

**Saturday 25th May 2pm - 3.30pm**

**All Welcome - FREE to attend**

at GreenAcres Colney, Ceremonial Park, Watton Rd, Norwich NR47TY

- Have you thought about planning and preparing your end of life wishes but didn't know where to start and feel overwhelmed at the thought?
- Have you made some plans but feel there is more to do in order to ensure your life affairs are completed when you are no longer here?

If any of the above applies to you then you are welcome to join us as we look at many of the things to be considered and explore some of the documents required, both legal and otherwise, that support you in your end of life preparations, with plenty of time for questions too.

We shall talk about the *Leaving Gracefully package* which offers inspiration and further practical support for you to easily record what is to be done, as you reach the end of your life and for when you are no longer here.

**Just turn up or register your attendance by contacting Beverley**
