MCW PRO WRESTLING-WEDNESDAY, FEBRUARY 1, 2017

It was a "BROKEN Anniversary" for MCW Pro Wrestling on Saturday, January 28 as we started 2017 with a sold out crowd of almost 1,400 fans and huge breaking news!

MCW started the evening giving the fan-voted 2016 Year End awards:

Lio Rush accepted the award for Match of Year - The Shamrock Cup Finale when he took on Joe Keys, Jason Kincaid, Tommaso Ciampa, Sonjay Dutt, and Travis Gordon.

Rush was asked to stay on the stage to receive Moment of the Year for winning the Shamrock Cup a second time! Rush thanked the MCW fans as he felt their support drove him to be a world-wide talent!

Guest superstar of the Year went to WWE Hall of Famer, Sting!

Newcomer of the Year went to Brittany Blake.

Bombshell of the Year went to MCW Women's champion Melina!

Tag Team of the Year, for the second year in-a-row, went to The Ecktourage! Dirty Money, Eric Chapel, and Kevin Eck accepted the honor, then berated their opponents for later in the evening, The Hardys.

Most Improved Wrestler of the Year went to Sean Studd.

Advocate of the Year went to Andy Vineberg. Vineberg returned to the stage with Studd and with only Wrestler of the Year left, refused to leave thinking Studd was the sure winner.

Wrestler of the Year went to MCW Heavyweight and Rage TV champion, Drolix! However, Studd and Vineberg disagreed with the vote, which led to Drolix and Studd needing to be separated by General Manager Phil Stamper and MCW officials.

In our social media exclusive matches:

Sean Carr returned and pinned Bobby Shields.

The Punk Rock All-Stars (Shaun Cannon and Drake Carter) defeated The Rock and Bowl Express (Thick Vick, Striker Lane, and "Mr. 300" Nick Jeremy). However, after the match, F.U. jumped into the ring and sneak attacked Cannon and Carter!

To start our event:

Maxwell Jacob Feinstein with Red Velvet and Maria Manic used the numbers game to defeat Greg Excellent. (See Greg's thoughts after the match - [facebook.com/MCWProWrestling/videos...](https://www.facebook.com/MCWProWrestling/videos...))

Dante Caballero pinned #1 contender to the Rage TV Title, Brandon Scott!

To name a #1 contender the MCW Tag Team Titles, Guns 4 Hire (Bill Collier and Paul Jordane) beat out Coast To Coast (LSG and Shaheem Ali), The Hell Cats (Jimmy Starz and Sexy Steve), and The Appalachian Outlaws (Bo Nekoda and Cousin Clay). In an amazingly hard fought match, Lio Rush pinned Anthony Henry!

MCW Heavyweight and Rage TV champion Drolix and Chuck Lennox defeated "Punishment" Damien Martinez and Napalm Bomb. At one point Solo came to the ring and seemed like he was going to attack Drolix, only to instead go after Napalm, giving Drolix and Lennox the win!

Though Bruiser defeated The Winners Circle of Sean Studd, Jeremiah, and Andy Vineberg, they went to attack him afterwards. Rayo came to the ring seemingly to help his partner, but gave Bruiser a low blow instead! The Hell Cats and Drolix came to help Bruiser. As THC chased off Jeremiah and Rayo, Studd and Vineberg ridiculed Drolix, causing Drolix to accept Studd's challenge to fight and Vineberg's desire to have the MCW Heavyweight Title put on the line. General Manager Phil Stamper first denied to sanction a match, but was convinced by Drolix and the crowd to let it happen.

Sean Studd, with help from Andy Vineberg and Jeremiah using a chair to injure Drolix's knee, defeated Drolix for the MCW Heavyweight Title! An update on Drolix's knee will be coming.

In the main event, BROKEN Matt Hardy and BROTHER NERO Jeff Hardy, with Senor Benjamin, continued their "Expedition of Gold" and put the Impact Wrestling Tag Team Titles on the line against the MCW Pro Wrestling Tag Team Titles, facing champions The Ecktourage, Dirty Money and Eric Chapel with Kevin Eck. In a very hardy fought match, The Hardys collected the MCW Pro Wrestling Tag Titles!

As The Hardys celebrated with Benjamin, Queen Rebecca and King Maxel came to the ring. Kevin Eck took exception to The Hardys' win and challenged Maxel to a match! After a low blow and a Twist of Fate, Eck found himself the victim of a pinfall loss by Maxel!
