MCW PRO WRESTLING- SUNDAY, SEPTEMBER 25, 2016

On the MCW Facebook Live Pre-Show: - Guns 4 Hire (Bill Collier and Paul Jordane) w/ Kevin Eck defeated Bo Nekoda and Cousin Clay w/ JP Callahan

In a match where the winner of the fall receives a MCW Women's Title Match, Ivory Robyn advanced when her and April Sera defeated Maria Manic and Angelina Love. MCW Women's champion Brittany Blake came out to recognize her opponent, but was followed by former champion Kimber Lee. General Manager Phil Stamper approached Lee about why she was there. Lee stated she was never pinned to lose her title, she was not pinned in her rematch, and demanded a match. GM Stamper placed Lee in a three way with Blake and Robyn that night for the MCW Women's Title.

The Dixon Line's Joe Keys pinned Dante Caballero

Throughout the night, several behind-the-scenes moments were captured on Facebook Live ([facebook.com/MCWProWrestling](https://www.facebook.com/MCWProWrestling)) as "Tribute to the Legends" got underway with: - Jim Cornette coming out with "his team" The Rock and Bowl Express, which he may have thought was called "The Rock N' Roll Express". The match also saw legend Danny Davis as special referee. However, they came

up short against The Honky Tonky Man, Tito Santana, and Koko B Ware. And Nick "The Bowler" received a few whacks from Cornette's racquet at the end of the match.

Swoggle (fka Hornswoggle) was a guest on "The Winner" Andy Vineberg's "Winners Circle". However, insult after insult and a near attack from Winners Circle members Jeremiah and Big Sean Studd caused Bruiser and Rayo to get involved. GM Stamper then separated the groups and since Vineberg wanted to be so involved with Swoggle, set up Swoggle to join Bruiser and Rayo's team in their tag match against Jeremiah and Big Sean Studd, to also include Vineberg in the match.

In the Bunkhouse Stampede, Paul Jordane won the golden MCW Bunkhouse Stampede championship and can challenge for any title of his choosing.

Brandon Scott pinned Nick Cutler in an intense match-up.

MCW Women's Champion Brittany Blake retained over Kimber Lee and Ivory Robyn.

In the "Stairwell to Hell" match for the MCW Tag championship, where all weapons were legal and anything goes, champions The Ecktourage retained over The Punk Rock All-Stars.

MCW Rage TV champion Ken Dixon retained over Chuck Lennox in a hard-hitting match up.

Swoggle, Bruiser, and Rayo defeated Studd, Jeremiah, and Vineberg after Swoggle hit a Swoggle splash off the top onto Vineberg. However, an unconscious Rayo was taken to the back by the Winners Circle.

Black Wall Street's Drolix became the NEW MCW Heavyweight champion in a dog collar match dethroning King McBride with Shane Douglas as special enforcer.
