## 5. CALLED TO INFLUENCE – Karen Kircher

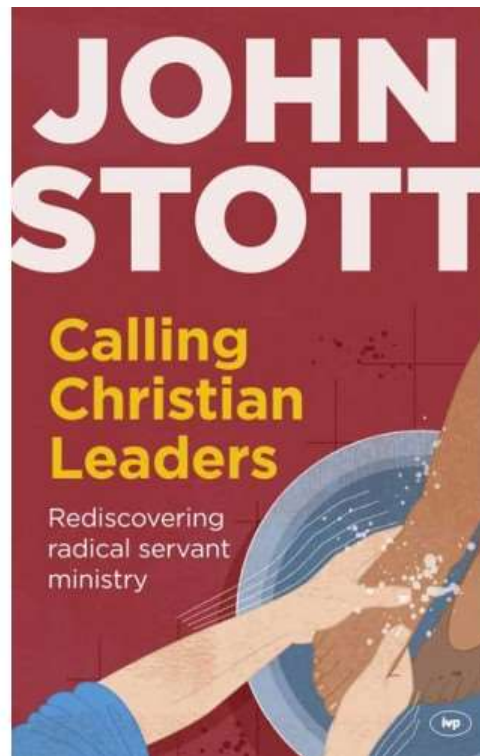

### DETAILS

Does the place you work matter to God? Is full-time ministry just for those who work for the church? Karen Kircher argues that many of us are positioned in full-time ministry without realising it because that ministry occurs outside the church. In any given situation every person has an opportunity, however small, to demonstrate leadership. Kingdom-style leaders transform culture, bringing alive the Lord's Prayer: 'Your Kingdom come, your will be done, on earth as it is in heaven'.

Release date: 15<sup>th</sup> September 2017

Cost: £9.99

## 6. CALLING CHRISTIAN LEADERS – John Stott

### DETAILS

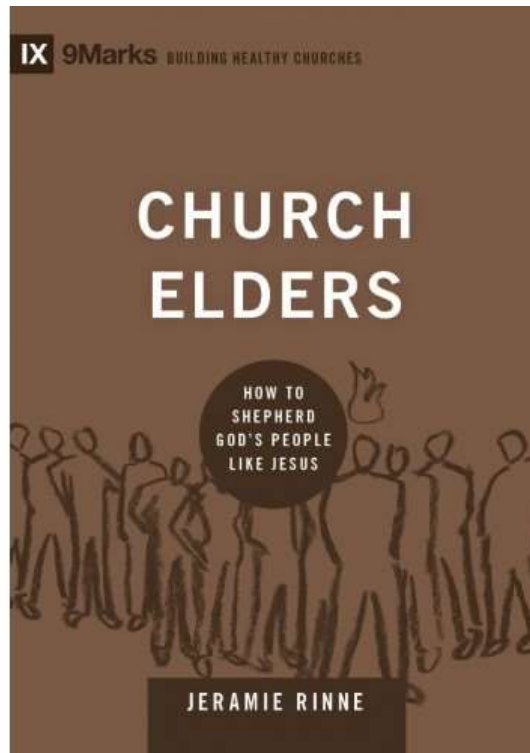

John Stott has found in his travels that contemporary models of Christian leadership are often shaped more by culture than by Christ. In stark contrast, he urges that our view of leadership must be determined by our view of the Church, and not the other way round. He demonstrates how central is the theme of 'power through weakness'. He expounds the role of the Holy Spirit in God's revelation, and he examines four of Paul's most striking models of ministry, each of which is an aspect of humility. Over against seductive styles of Leadership being advocated by the wisdom of the world, John Stott urges Christian leaders to be characterised above all else by 'the meekness and the gentleness of Christ'.

Release date: 2<sup>nd</sup> February 2016

Cost: £8.99

## 9. PRAYER – Timothy Keller

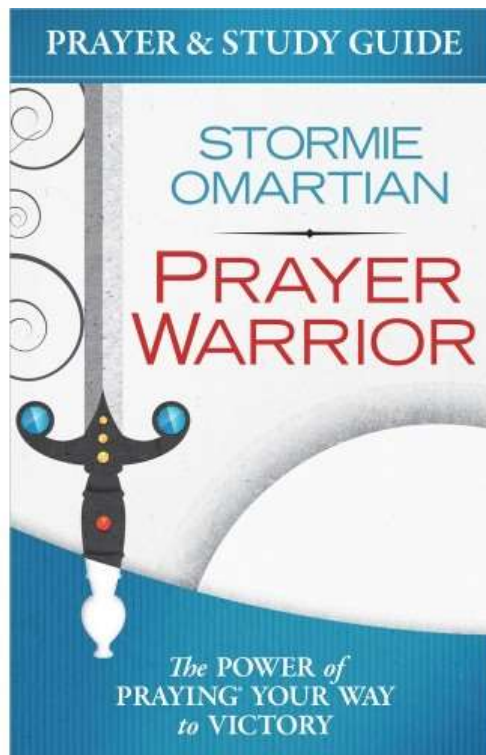

### DETAILS

"Can't anyone teach me how to pray?" Millions of people today are asking the same question. There is a sense of the necessity of prayer - we have to pray. But how? Prayer is central to Christian faith; indeed, as Timothy Keller notes in his introduction, it is the main way we experience deep change. Yet so many people struggle with prayer - a struggle that the author himself has shared. This wise and inspiring book is the fruit of those struggles, offering a real and glorious vision of what it can mean to seek God in prayer. Keller begins by giving a theological underpinning of what prayer actually is - both conversation and encounter with a personal God - before describing how we can learn to pray, and then deepen that prayer. Finally he gives detailed, practical suggestions on how to make prayer a part of the reality of daily life.

### DETAILS

70 Great Christians has become a publishing phenomenon! It is a consistent best seller in Christian Bookshops and has found markets all around the World.

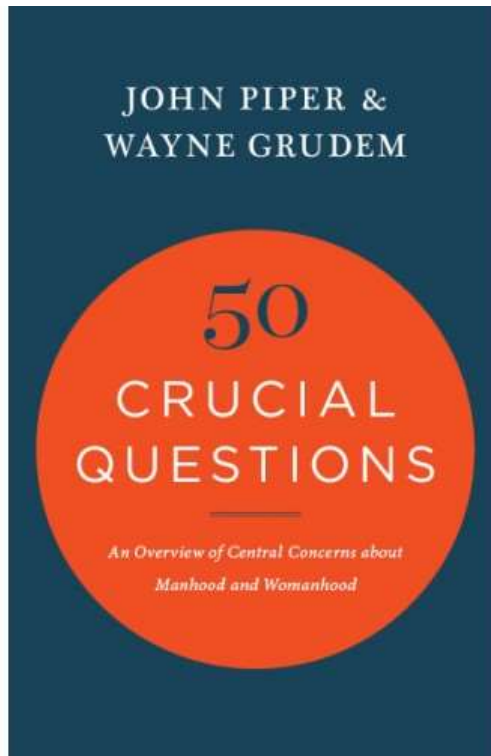

The Story of the Church is a story of people moved by God to achieve things for his glory. Some are from privileged backgrounds but the majority started out as ordinary people just like you. God says that he will 'choose the foolish things of this world to confound the wise' and so here we find people who are prepared to stand up to the spirit of the age and become fools for Christ's sake.

This is a useful resource book for pastors, teachers and schools. More than that it is a well written and comprehensive collection of biographies of those people who have given all (sometimes mistakenly) for the God they sought to serve.
