MESSAGE FROM THE PAST PRESIDENT ... Jan Franklin

HAPPY NEW YEAR!!

2009 was a very good year for EMNA. Meeting attendance has increased to a record high unlike years past. Other neighborhood organizations don’t have the turnouts that we do. And, we’re constantly trying to entice new members with more events, incentives and FOOD!

Here are some of the highlights of the year:

- Our annual yard sale had a new look this year. It was both flea market and yard sale. We also had food and drinks for sale. We tried something new, and it was a success.
- Our annual picnic/barbeque had the largest turnout that we’ve had in a long time. Everyone brought wonderful dishes and ate too much, as usual. A Denver Municipal Band combo played music for our enjoyment.
- We had a Chili Supper, pumpkin carving, and lots of prizes given away.
- We had a contest to design our very own logo. Joyce Ford submitted the winning entry (see above). We had EMNA t-shirts made with the logo on the front. We have sold some, but we still have plenty left if you’d like to buy any.
- The EMNA/MHYC had both a Spring and Fall seniors’ yard project. Members of the Mile High Youth Corps raked leaves, pulled weeds, trimmed bushes, etc. for seniors in the neighborhood who can’t do it themselves.
- On National Night Out, EMNA members walked in a neighborhood north of Colfax and east of Syracuse. We were escorted by members of our police force. Walks like these show our solidarity and announce our presence in the neighborhood.
- Because of some of our members, Verbena park had some improvements. The shelter was painted and benches were repaired. Skirts of the trees have been raised to keep undesirables from hanging out and hiding under them. New lighting is in the process.
- We raised money to give back to the community. We gave donations to organizations such as Ashley Elementary School, to the Dollar Dictionary Drive, the Denver Municipal Band, the Air Force Ball Committee.
- The liquor store at Rosemary and Colfax changed hands, and they wanted to re-open it. It had been closed for at least a year. Members surrounding the store were against it and signed petitions. They had a community meeting with the owner and his attorney. The drive-thru was encroaching on the neighbor’s property. EMNA supported these members and Marcia Johnson joined in. The petition didn’t even go to hearing because he decided he couldn’t fight the forces behind the opposition.
- We did not get free distribution of flyers this year from Stapleton, so with the help of Bonna Gayhart, our delivery network was once again activated, and members delivered to every home in East Montclair.
- I am working to find someone to write us a grant to cover the newsletter printing and distribution. If I’m successful, we will save money and use it for other things.
- On December 9th, EMNA held the annual elections. The following is the list of officers and board members for 2010:

I stepped down from the presidency because I have over-extended myself and gotten involved in too many things. I want to thank everyone for their help and encouragement during my tenure. EMNA is made up of so many wonderful people, and I have been proud to serve as president of this group. Now I leave EMNA in the capable hands of Rob Wilson. Please give him the support you have given me. Thank you. Let’s make 2010 another great year!!

Once again, I am writing to inform the readers of EMNA News of a good experience I had using one of our East Montclair neighbor’s business expertise. When I moved into my house, over twenty years ago; my kitchen had an indoor/outdoor carpet on the floor and basement stairs. I have wanted to change the flooring for a long time.

After doing quite a bit of research on flooring; I decided on cork for the kitchen floor. I mentioned to my neighbor Janel Wilson, (an interior designer who works for Carpet Exchange) that I was interested in a cork floor. I asked Janel if she could help me with obtaining materials and installation. Janel got cork samples for me to look at. I decided on a cork design.

She then measured my kitchen and stairs. I chose a carpet for the stairs. Janel arranged for the installers to take up the old carpeting and to install the cork flooring and carpeting. The installers came at 10:00 AM and were finished by 4:00 PM. They did a great job. I could not be happier with the new floor, carpet, the installers and Janel’s assistance in getting the materials and arranging for installation.

If any of you are interested in new flooring, I would like to suggest that you visit with Janel at Carpet Exchange, 2121 S. Havana, Aurora, CO. 80014 Store -303 750-0550, Fax – 303 745-7421,Cell – 303 907-0094 jwilson@carpetexchange.com. I believe that you will be pleased with Janel’s professionalism and advice.

ATTORNEY GENERAL, SECRETARY OF STATE ASKS COLORADO TO BEWARE OF SCAM ARTISTS EXPLOITING HAITI DISASTER

DENVER — COLORADO ATTORNEY GENERAL JOHN SUTHERS AND COLORADO SECRETARY OF STATE BERNIE BUDESCHER WARNED COLORADANS TO BE WARY OF UNREGISTERED CHARITIES OR OTHER ENTITIES ATTEMPTING TO USE THE EARTHQUAKE IN HAITI, WHICH HAS LEFT THOUSANDS DEAD AND THE ISLAND NATION DEVASTATED, TO SCAM CONSUMERS.

“COLORADANS HAVE DEMONSTRATED A TREMENDOUS CAPACITY FOR GENEROSITY DURING PAST DISASTERS, BUT EVEN THE BEST INTENTIONED DONORS SHOULD TAKE PRECAUTIONS TO ENSURE THEY ARE NOT VICTIMS OF FRAUD,” SUTHERS SAID. “SCAM ARTISTS OFTEN USE DISASTERS TO TAKE ADVANTAGE OF THE GENEROSITY OF THOSE WHO SIMPLY WANT TO HELP.”

“UNDoubtedly, OUR HEARTS GO OUT TO THE VICTIMS OF THIS DISASTER,” BUDESCHER SAID. “COLORADANS CAN MAXIMIZE THEIR CONTRIBUTIONS AND AID TO THIS TRAGEDY BY ONLY GIVING TO ESTABLISHED, LEGITIMATE CHARITIES OR BY CHECKING THE CHARITY FIRST ON OUR WEB SITE.”

SUTHERS AND BUDESCHER SAID COLORADANS CAN TAKE SEVERAL SIMPLE STEPS TO MAKE SURE THAT THEIR CHARITABLE CONTRIBUTIONS ARE HELPING DISASTER VICTIMS AND NOT LINING THE POCKETS OF SCAM ARTISTS:

• VISIT THE WWW.CHECKTHECHARITY.COM OR THE COLORADO SECRETARY OF STATE’S WEB SITE (WWW.SOS.STATE.CO.US) TO MAKE SURE A CHARITY SOLICITING CONTRIBUTIONS IS REGISTERED WITH THE STATE.
• SENIORS CAN CONTACT AARP ELDERWATCH VIA THE COLORADO CONSUMER LINE, 1-800-222-4444, FOR MORE INFORMATION ON CHARITY FRAUD.
• ASK FOR THE SOLICITOR’S REGISTRATION NUMBER AND THE REGISTRATION NUMBER OF THE CHARITY HE OR SHE IS REPRESENTING.
• IF THE CHARITY IS REQUIRED TO FILE THE FEDERAL FORM 990 OR 990-EZ WITH THE IRS, ASK TO SEE IT.
• ASK YOUR TAX ADVISOR OR THE INTERNAL REVENUE SERVICE IF YOUR DONATION WILL BE TAX DEDUCTIBLE. THE FACT THAT A CHARITY HAS A TAX IDENTIFICATION NUMBER DOES NOT NECESSARILY MEAN YOUR CONTRIBUTION IS TAX-DEDUCTIBLE.
• ASK THE SOLICITOR HOW MUCH OR WHAT PERCENTAGE OF THE DONATION WILL GO TO THE CHARITY.
• BE WARY IF THE CHARITY DOES NOT WANT TO PROVIDE INFORMATION ABOUT ITS PROGRAMS AND FINANCES. REPUTABLE CHARITIES WILL GLADLY PROVIDE THE INFORMATION REQUESTED.
• WATCH OUT FOR CHARITIES WITH NAMES THAT SOUND SIMILAR TO WELL-KNOWN ORGANIZATIONS. SOMETIMES THESE SOUND-ALIKE NAMES ARE SIMPLY INTENDED TO CONFUSE DONORS.
• DO NOT PAY IN CASH. DONATE WITH A CHECK MADE PAYABLE TO THE CHARITY.
• IF SOLICITED IN PERSON, ASK TO SEE IDENTIFICATION FOR BOTH THE SOLICITOR AND THE CHARITY.
• CERTAIN WELL-KNOWN CHARITIES SUCH AS THE RED CROSS WILL NEVER SOLICIT DONATIONS OVER THE PHONE.

March 2010 Census

The U.S. Census Bureau in Denver is recruiting temporary, part-time census takers for the 2010 Census. These short-term jobs offer a decent wage, flexible hours and paid training, as well as reimbursement for work-related expenses, such as mileage incurred while conducting census work. Best of all, census takers work right in their own communities.

What do you need to do?
- Fill out an application and I-9 form. The I-9 requires two forms of identification. For example: State photo ID, birth certificate, social security card, alien registration card, or a valid passport.
- Pass a 30 minute basic skills test. You can take a Census practice test as well. To schedule for the test call (303) 226-8620.

Stand up and be counted, for Denver and Colorado! Mark your calendars in March to take 10 minutes to fill out one short page with 10 questions and mail it back to the U.S. Census Bureau. Every ten years, the U.S. Census counts everyone in the United States. The Census counts people of all ages, all ethnic groups—both citizens and non-citizens.

It’s Safe: The Census is 100-percent confidential. By law, the Census Bureau cannot share the answers given with any individual, private group, or government entity, not even the IRS, immigration, or welfare. The information on the Census form CANNOT be used against a resident in any way to collect back taxes, child support, or alimony. It cannot be used to enforce against a legal violation or warrant, to investigate your legal status, nor to garnish wages. Census information does not affect any services that a person is receiving from the government. All Census Bureau employees have taken an oath to protect confidentiality and are subject to a jail term, a fine, or both, for disclosing any information that could identify a respondent or household. For your safety, if you are approached by a Census Bureau employee make sure to ask for their identification and their badge (no photo) before answering any questions. If you ask, the worker should provide you with a phone number to call to verify their employment with the Census. Census Bureau will not ask for any financial information, such as a salary range, and will not ask for Social Security, bank account, or credit card numbers. Census workers will never ask for payment or contributions of any kind. They will not contact you by email. For assistance or questions related to fraud, call the Denver DA’s Fraud Line: (720)913-9196.

It’s Easy: The census will ask for name, sex, age, date of birth, race, ethnicity, relationship and housing tenure—taking just minutes to complete and return by mail. 10 questions, 10 minutes: Spending just a few minutes to fill out your Census form will help ensure your community gets its fair share of federal and state funding for 10 years.

It’s Important: The final tally will set Denver’s population for state and federal revenue sharing, for roads, schools, human services, community colleges. Other programs supported according to the count are senior services; libraries; student loans; health services; unemployment insurance; housing and community development; youth and recreation services; services for women, infants, and children; alcohol and drug abuse prevention; and veterans. The population number also affects the number of Legislative seats for Denver and the number of Congressional seats for Colorado.

Based on the ten-year Census count, Denver gains at least $826 a person in federal funds each year for ten years. More than 200 government agencies make spending decisions based on Census data. Since the 2000 Census, Denver has lost $74 million because some residents were not counted; 8,983 individuals or 1.59- percent of the total Denver population was simply not included in the count.

Census forms will be mailed to Denver households in March 2010. The forms must be mailed back on or before April 1st, 2010. Other questions can be answered by calling the Denver Regional Census Office at 1-800-852-6159. To obtain more information or to help, please call 311 or visit www.denvergov.org/census2010
Exercise May Keep Alzheimer’s at Bay

Exercise not only helps keep you young, research shows that it may ward off one of the most dreaded diseases of the old - Alzheimer’s.

The study compared the exercise habits of 126 elderly patients with Alzheimer’s and 315 healthy older adults. Researchers were particularly interested in the subjects’ exercise habits between the ages of 20 and 59. “The healthy individuals reported significantly more physical activity over the four decades than those with Alzheimer’s disease,” said Dr. Arthur L. Smith, a clinical research fellow at the University Hospitals of Cleveland/Case Western Reserve University, Cleveland, Ohio. “The results suggest that lifelong regular exercise may be protective against the development of Alzheimer’s disease.”

Running, swimming, tennis, weight training, biking and golf were among the activities favored by those who demonstrated a lower risk for developing Alzheimer’s. According to Smith and his associates, about four million Americans are believed to be affected by Alzheimer’s disease, a number that will likely double by 2030. In addition to exercise, previous studies suggest that individuals who possess intellectually demanding occupations and higher levels of education and social activity are at a reduced risk for developing Alzheimer’s.

From Councilwoman Jeanne Robb:

The City Council has had several meetings in the last few months to discuss how Denver should respond to the issue of regulation of medical marijuana dispensaries. There was a public hearing at the City Council meeting on January 11th to consider a comprehensive bill; the prime sponsor is District Six Councilman Charlie Brown.

In year 2000, a strong majority of the voters of Colorado approved Constitutional Amendment 20 that allows the use of marijuana by those who have been “advised by his or her physician that the patient might benefit from the medical use of marijuana in connection with a debilitating medical condition.” In the past several months, approximately 180 medical marijuana dispensaries have opened or applied for sales-tax licenses for locations inside Denver.

If passed, the City Council bill (that has not yet been assigned a bill number) would require that each medical marijuana dispensary:

1. Must be licensed by the Denver Department of Excise and Licenses. Any currently operating dispensary must obtain a license no later than March 1st.
2. Must be operated by someone who passed a criminal background check.
3. May not be allowed in any location where retail sales are prohibited by the zoning code.
4. Must not be located within 1000 feet of a school or child-care establishment.
5. Must not be located within 1000 feet of another medical marijuana dispensary.
6. No marijuana may be smoked, eaten, consumed, or ingested on the licensed premises.
7. The dispensaries must not be open to the public between 9:00 p.m. and 7:00 a.m.

The proposed bill allows dispensary locations that were open by January 1st to be licensed even if they do not meet the spacing restrictions. The state legislature will also consider state regulation of medical marijuana dispensaries in the upcoming legislative session.

If you didn’t come to EMNA’s annual Christmas meeting, you really missed a great get-together. Members brought an array of awesome dishes - meat, side dishes, salads, and desserts. Everyone ate until they were stuffed. See pictures of the attendees below.

The annual election of officers was held, and there was even a silent ballot for the Board Members At-Large because there were three candidates! We don’t remember when we’ve had this situation before. 2010 officers and board members are Rob Wilson, John Russell, Linda Johnson, Tera Holzschuh, Ed Wasserman, and Jennifer Coleman, Jan Franklin.

Following the election, Rob Wilson, newly elected President, presented plaques of appreciation to the outgoing President and other members of the community for their outstanding contributions to the community. And, of course, Marcia Johnson and Detective Tony Burkhardt stopped by to wish us all happy holidays.

To finish off the evening, there was a drawing for prizes such as gift certificates, gift baskets, etc. Everyone was excited, and most everyone received a gift. Nearly everyone stayed after the potluck to socialize with their neighbors.

... And, a good time was had by all.

Dear Neighbors,

It has been reported by one of our neighbors that they were the victim of a door-to-door magazine scam. They were told by a young man that their purchase would help his soccer team. After the purchase, the neighbor checked the website on the receipt and tried to call the number listed and both proved invalid.

Please be vigilant in safeguarding your money and personal information by verifying in advance the identity of those who might ask you for money at your door.

Colfax Streetcar Feasibility Study

The City & County of Denver is working to assess the technical and economic feasibility of a “modern streetcar” line along the Colfax Avenue Corridor. The initial study area is bordered by I-25 on the west and Syracuse Street on the east.

Colfax is a productive transit corridor and has experienced redevelopment and reinvestment in recent years. A modern streetcar could have mobility and economic investment benefits.

The primary purpose of this study is to identify how a modern streetcar in the Colfax corridor would affect transit ridership, types of transit riders, reliance on private automobile trips, traffic operations, adjacent property values, and new economic investment.

Why not give the gift of clean air, shaded sidewalks and bird habitat—the gift of planting a tree!

All donations to the Mile High Million go to planting trees in the Denver metro region. Make a contribution and receive a certificate that honors the recipient of your gift. Be sure to add giftee information in the special notes box.

Donate $50 or more and receive a 2010 EcoMetro Guide Community Coupon Book as a thank you gift (a $20 value).

COMMENTS:

Jan,

I vote to keep the detailed police report for our area in the newsletter - it seems to be the only way to be informed of the crimes in our neighborhood.

Thank you for all of your efforts on our behalf.

John Dates
1285 Roslyn St.

Hello Neighbors!

We’re having another fundraiser for The East Montclair Neighborhood Association. Here’s a great way to start 2010 with a whole new you AND help EMNA at the same time! It’s an AVON fundraiser! The fundraiser will run from now to February 28, 2010. A total of 15% of the sales from this fundraiser will be donated to EMNA to help fund our community parties, programs and community donations and to help off-set the costs of running the organization. Last year, we made $120 with the Flower Power Fundraiser and we’re hoping to top that with our Avon Fundraiser!

When you go to http://www.youravon.com/jeffreyjohnson, you will be asked to register as an e-customer. Please fill out all of the information. Your order will be delivered right to your door, so please be sure that all of the information is correct. This is a secure site, run by AVON. After you place your order, you will be asked to enter a promotional code at check-out. The Promotional Code for this fundraiser is: EastMontclair. There is free shipping on orders of $30 or more!

Please ask your friends and neighbors to participate. If you live in East Montclair, and join as a new member of the East Montclair Neighborhood Association (EMNA), you’ll receive a free gift with your purchase.

To participate in this fundraiser go to: http://www.youravon.com/jeffreyjohnson and click the ‘Online Events’ tab at the top of the page. You’ll see the ‘East Montclair Neighborhood Association’ link when the Online Events page comes up. Just click the link & start shopping!

Don’t forget to use the promotional code: EastMontclair (no spaces) at checkout, so we can get credit for EMNA!

Thanks so much!
Linda Johnson- EMNA Secretary

EMNA is always looking for volunteers to either chair committees or serve on them. (Please see the EMNA membership application near the end of the newsletter for a list, to see if you’re interested. We are looking for people to help get neighbors excited about EMNA, work on neighborhood projects and interests, and restore our association to the glory of the past. Let our voices be heard!

East Montclair Neighborhood Survey

The East Montclair Neighborhood Association is interested in finding out how you feel about your neighborhood. This effort will help us determine our vision for East Montclair and the ways we can measure the health of our neighborhood—kind of like taking the vital signs of our physical health when we go in for check ups. We hope this will help us make a great neighborhood even stronger in the future.

Three members have answered the survey. Their answers are shown below by # and color; no names are being used.

1. Ten years from now, what would you want East Montclair to be like?
   1. Increase in EMNA membership.
   2. Merged into Stapleton and Lowry.
   3. Nice clean yards & well maintained homes. Less litter (if we treat our neighborhood like a garbage can, no one will respect it. East Montclair looking like some Lodo neighborhoods that have undergone a huge update.

2. What would be clear signs that we had made progress?
   1. Neighborhood homes and yards have improved between Valentia and Syracuse.
   2. It would be visible.
   3. Owner occupied homes and all homes being well maintained.

3. If you could change anything about your neighborhood, what would it be?
   1. Less traffic on Quebec, less 18-wheelers on our streets.
   2. Homeowners taking care of their yards, no parked cars on lawns, etc.
   3. We need sidewalks!! We need to get out and walk and really get to know our neighbors again.

4. What are some of the problems or issues that you see in East Montclair?
   1. Crime, and areas with no sidewalks.
   2. Feeling safe walking, people asking for handouts, safety for Colfax foot traffic.
   3. Property value is a real issue. We need more neighbors looking out for each other.

5. What do you like about East Montclair?
   1. It’s proximity to area stores.
   2. Convenience to Stapleton.
   3. We have so many long time residents, Some have been in the neighborhood over 40 years!

6. How many of your neighbors do you know on your block?
   - None, or almost none (0-3)
   - A few (4-6) 1. Very transient., rentals.
   - Some of (6-10)
   - A lot of them (10-15) 2. A lot of them.
   - Almost all, or all of them (16 or more) 3. I know everyone on my block.

7. Anything else you would like us to know?
   1. Put newsletters in the libraries.
   2. Thanks for all of your hard work.
   3. No answer.

Isn’t it interesting how much the answers are alike? Does everyone agree? Won’t you take time to answer the survey?
