

APRIL-MAY 2012

A MESSAGE FROM THE EMNA PRESIDENT—Tera Holzschuh

Hello, East Montclair Neighbors. Spring has sprung, the weather is great (I hope all of you are enjoying it). I have seen flowers up already!! We have several exciting spring projects coming up! We need your help to make them happen.

To help offset City budget cuts, a new program has been set up whereby neighborhood volunteers may help maintain the flower beds in City parks. We'd like EMNA to "adopt" the flower bed (around the park sign) in McNichol's Park. The project would require volunteers from May to October 13th to plant, maintain during the summer, and put the flower area to bed in the fall. May's activities will include tilling and edging the bed and planting the flowers by May 30th. From June-September we will need volunteers to weed, groom and edge the flower bed. By October 13th, we will need to remove the flowers and turn the soil. I am looking for a group of EMNA volunteers for the planting (in May) and one volunteer per month to maintain the flower bed from May-September. We will also need volunteers to put the plot to bed in October. If you are interested please let me know at our April General Meeting. You may also call me at 303-929-2308 or email me at Tera.in.Denver@gmail.com. Please help East Montclair's Parks stay beautiful!! This would be a fun thing to do with a friend or, yes, even your children (or grand kids)!

The other project planned is a water station for the upcoming Colfax Marathon on Sunday, May 20th. We need about ten volunteers to help set up the station, pour water for runners and cheer runners on (think cow bell!) The hours are from 5:00 a.m. until about 11:00 a.m. You do not have to stay the whole shift. I have three volunteers already (one is myself). Please contact me if you would like to have fun and promote our wonderful neighbor on the Fax.

As always I encourage all of you to get out and walk, clean up and take on spring projects in this neighborhood. Pride in home ownership and where you live makes all difference to our neighborhood. Also East Montclair has great yard size and mature landscaping. So let's shine it up and show it off!!!

Your Friend and Neighbor,

Tera Pagel Holzschuh

April 18th, 2012 at 6:30 pm
East Montclair Community Center
6740 E. Colfax Ave
(Corner of Colfax & Newport)

EMNA News

EMNA News is published bi-monthly by the East Montclair Neighborhood Association. The newsletter is distributed to neighbors and businesses in the East Montclair area. It was started in 1972, and has continued to this day. Contributions of articles and letters are welcomed and published in the newsletter at the discretion of the editor and president.

NEIGHBORHOOD COMPLAINTS: Go to the Neighborhood Complaint Form at: <http://denvergov.org/customerexperience/311/>. If you don't have access to a computer, call 3-1-1 for information.

ZONING ISSUES: If you know of a zoning violation, change request, or hearing and need EMNA's support (pro or con), please contact Jan Franklin.

From the Editor's Desk

Greetings EMNA readers,

First off I would like to apologize for the delay of the February newsletter. Due to technical errors, the newsletter went out later than it should have. This time I hope that the printing process will be error free. Second, I would like to remind everyone that the next General meeting is April 18th. Mark your calendars because spring is here, and this is the season to enjoy the great outdoors. Finally a beautification project that I have completed. A couple of pairs of shoes on two different power lines. Recently, as of March 8th, two pairs have come down. One on Batavia just east of Quince St. (September 20th); the other on Colfax just East of Oneida (March 8th). Although it is a small change that will sometimes get noticed, the disappearance and change of view is a welcome sight that stood through history and braved the Colorado weather for over 20 years. I hope that everyone is enjoying the newsletter as it continues to inform East Montclair and the people who live, work and love this wonderful neighborhood. Keep smiling, as it improves your face values.

-Isaac Schloss

DENVER POLICE & CRIME STOPPERS TEAMING UP
TO GET ILLEGAL GUNS OFF DENVER'S STREETS

The Denver Police Department and Crime Stoppers are teaming up to get illegal weapons off Denver's streets. Crime Stoppers has agreed to pay rewards for information that leads to the arrest of a previous felon in possession of a weapon, a juvenile in possession of a weapon, or the recovery of a weapon used in the commission of a major crime.

This project will surely assist in both solving crimes and preventing others from occurring.

By Lt. Matthew Murray,
Chief of Staff to
Denver Police Chief Robert C. White
720-913-6192

The Hot Days of Summer Will Soon Be Here

And the Volunteers of America Handyman Program wants to keep you safe and cool with the 10th annual "Cool Down & Be Safe", Colorado! Limited income seniors, 60 and older, who have not participated in previous years and are living in Adams, Arapahoe, Denver, Douglas, Jefferson, Clear Creek and Gilpin counties are eligible to receive one free fan. Requests should be made to Amelia at the Handyman Program by calling 303-297-0408 (after April 15th). Availability is limited, so make your request early. A volunteer will contact those who have already requested a fan to schedule a delivery between June 4th and June 15th. Beat the heat and stay safe this summer!

Where: Syracuse and Colfax

NEIGHBORHOOD TIDBITS AND FYI

Park News

The new park at 13th and Xenia - community garden is ready for planting!! It looks very nice. The park is far from done yet, but it is coming along. The next meeting is April 14th at 10am at Xenia Village (EMNA member and long time neighbor Lee Eitel has been attending the meetings). She is up to date on planning and time lines. If any members have questions please feel free to contact me at Tera.in.Denver@gmail. Lee and I attended the last meeting and we both feel this park will be a jewel in the neighborhood. The ideas for the Westerly Creek area are great. . I encourage all EMNA members to attend this meeting in April and see what is happening in your neighborhood.

Cook Book Project

The East Montclair Neighbor Association board members have been thinking about putting a Cook Book together for the neighborhood. It is a great chance to get to know your neighbors and have a wonderful Cook Book. We need your participation to make it happen.

- We need as many recipes as we can get, members are encouraged to submit several
- We would like to take some photos, and would like family stories and neighbor stories about your recipes
- All cuisine is welcome
- Lee Eitel will be the Cook Book Coordinator . If you have any questions or would like to submit a recipe please email Lee at leeeitel@msn.com.

NEIGHBORHOOD FEEDBACK REQUEST

Director of Excise and Licenses Tom Downey is asking INC to help him obtain comments from committee members and other neighborhood representatives about his proposal to eliminate the current city prohibition of allowing a new hotel and restaurant liquor license within 500 feet of a school. He assured the committee that the 500-foot rule will not be eliminated for liquor stores, taverns or cabarets. Contact him at this email: tom.downey@denvergov.org to comment about this or any other issue. (Please cc Michael Henry, INC's Zoning, & Planning Committee Chairman, at michaelhenry824@comcast.net into your comments to Mr. Downey.)

East Montclair Neighborhood Association

WELCOME NEW AND RETURNING MEMBERS !

We hope you find the information and the events beneficial.

NEW MEMBER:

Bryan Fry

RENEWALS:

Betty Aguilar, Joyce Fields, Paul Brettin and Jan Franklin

Condolences

Condolences to the Family of William "Bill" Craney. Bill had been a faithful member of EMNA since 1987. As Sales Manager of Denver Bookbinding, he occasionally picked up a cherished book from another EMNA member for refurbishing. Bill enjoyed fishing, working in his yard, building models, and working on his car. His smiling face and cheerful voice will be missed by all.

Brothers Redevelopment PAINT-A-THON

March to September marks this annual event. It has been many years since EMNA has participated, but we're going to "give it a shot" in 2012. Our new Secretary, Bryan Fry, has expressed interest, but hasn't confirmed willingness to ramrod the plans. So - o - o - o! If you are a senior over 60 with limited income, or have a neighbor who qualifies, please let Bonna know if you need your house, garage, or fence painted this summer. We'll get you on the list and advise you of the details.

Stop School Bullying

DPD District 2 has published a great information piece about school bullying. Please see the denverinc.org website for a full report. Look on left hand side under "What We're Hearing".

An excerpt: "Bullying takes many forms, but the effects of any type of bullying are often detrimental to a child's mental health. If you suspect your child or teen is being bullied, take swift action by working with the child's school to stop the behavior of the offender. Bullying can lead to severe consequences, including suicide, but with quick and appropriate action, those who are being bullied will likely not suffer any long-term consequences of the bully's behavior."

3 FITNESS TIPS AND TRICKS

1. The outside world is your gym.

My favorite weekly training session has been, as I call it, my "play day." I go outside to a local park or trail and moves using what's there - literally. "I'll use my surroundings and my creativity to craft the session for the day." This may include step-ups and push-ups on a bench, uphill runs, and pull-ups off a tree branch; but his clients - those stuck in cubicles every day - have all benefitted from moving outside. I also suggest getting outside and "cross training with the seasons" - running dirt trails, Nordic skiing, Alpine skiing, hiking, and rock climbing - as ways to use the environment to change up workouts.

2. Get to know your feet and find balance.

Intensity can make you feel alive, but taking some time during the week to stretch and work on balance - without shoes - is just as important. It's easy to forget about the feet that keep us moving, but growing your posture from your feet can help prevent knee, hip, back and even shoulder pain. Some equipment that may help you remember those feet include Power Plate, BOSU, Wobble Board, the Pilates Reformer and Pilates Chair.

3. Forget the reps. Watch the clock.

Don't spend every workout using sets and reps - you don't need to practice those counting skills anymore. Instead, like I do in my own workouts, use a stopwatch! I am incorporating more 30-minute total body workouts to get more out of a short amount of time. Use your stopwatch during high-intensity interval training, which is a great way to increase the intensity of your workouts and see results in a short amount of time.

If you are interested in beginning a resistance training program, contact

David

Starr of starrFIT Personal Training at 720-270-5994 or david@starrfit.com to begin today!

East Montclair Neighborhood Association

“The Great Denver Cleanup”

Saturday, April 28th

Whether you're cleaning up your backyard or helping spruce up Denver, Keep Denver Beautiful invites you to be a part of this annual, citywide cleanup.

There's 2 ways to get involved...

Denver residents – discard your unwanted household items and yard waste at **FREE drop sites*** provided by Denver Solid Waste Management. (*Some restrictions apply. Locations to be announced soon.)

Volunteers – sign up for a cleanup project taking place around the city. Register early to receive free trash bags (limited supply available).

This event is part of the nationwide, **Great American Cleanup and the Big Day of Service.**

To sign up or to get more information,

call 311 or visit www.denvergov.org/kdb

VOA Senior Handyman Spring Assistance

The Handyman Program at Volunteers of America has a one-time yard work assistance program. The program is available for seniors, 60 years of age or over, in need of assistance with general yard work tasks. Our program matches individual and groups of volunteers with clients who need help with raking, weeding, mowing, trimming, etc. This program is not a guarantee, but we will do the best we can to find volunteers to help you. To sign up for assistance, call Amelia at 303-297-0408.

If VOA is unable to assist you, let Bonna know at 303-322-6758 and EMNA will try to “fill the gap”!

East Montclair Neighborhood Assoc. Board Meeting Minutes March 2012

Attended: Tera Pagel Holzschuh, Rob Wilson, Ed Wasserman, Isaac Schloss, Jennifer Callender.

Not in attendance: Jan Franklin and Bryan Fry.

Neighborhood Sign Update: Signs will be green and white per the city and 10 will be put up. Ordering in March.

Newsletter schedule: President to get message to Isaac by Saturday the 17th and NL Editor to get NL sent by Wednesday the 21st (to Office Max), to get NL out by April 1st 2012.

Spring Projects: Flower Planting and Colfax Marathon (plans). More information on these projects at the April General Meeting. Need to sign up volunteers.

East Montclair Neighborhood Association

EAST COLFAX/EAST MONTCLAIR NEIGHBORHOOD HISTORY

The settlement of Denver was founded in 1858. The city was located on the east bank of Cherry Creek, 1/4 mile southeast of the junction of the Platte River and Cherry Creek. The City of Denver was first known as St. Charles, then renamed Denver City after James W. Denver, the Governor of the Kansas Territory. The settlement on the west side of Cherry Creek was known as Auraria. About 1860 the two towns became one. The City of Denver established its first semblance of law enforcement on December 19, 1859, with the appointment of W. E. Sisty as the first City Marshall.

Our East Montclair neighborhood was originally within the corporate limits of the Town of Montclair which was incorporated in 1888. The home of its founder, Mathias Chochrane of Montclair, New Jersey, still stands at 1304 Olive Street. Montclair's guiding vision, as promoted in an early speech by Baron von Richtofen, was for a community in which "only tasteful houses of \$1,000 will be allowedColfax Avenue will be graded and improved like Broadway ... Shade trees will be planted throughout ... an artesian well will provide water ... light towers will be erected ... the town will be the pride of all Denver."

At the time of Montclair's consolidation with the City of Denver in 1902, the area had little development. Along Quebec Street between the ruins of Jarvis Hall (a military academy for boys which closed with a fire in 1901) at 11th Avenue and the Denver Ladies College (later Colorado Women's College and now Johnson & Wales University) at Montview Boulevard was the most developed residential area. From Quebec east to the Town of Fletcher (now the City of Aurora), on the open prairie, lay only a few scattered farmhouses and a few structures on the dusty, unpaved Kansas City Road (now Colfax Avenue).

In 1904 a Home Rule Bill was passed by the State Legislature which created the City and County of Denver. Consequently, the Denver Police Department is the only agency with full police powers in the City.

Neighborhood roots go back to the late 1850's when a branch of Smoky Hill Trail brought gold seekers arriving by horse and wagon on what is today Colfax Avenue. Over time, farms and houses appeared along the trail, which became known as the Kansas City Road because it connected the early village of Denver to the nearest big city to the east.

By 1900 there were 88 homes in Montclair. The town boasted a zoo, college, golf course, art gallery, and private and public schools. St. Luke's Episcopal Church was built in 1890 and the Stanley School in 1891. The Stanley School became a Denver Public School, the original Montclair School in 1903. It is now the Paddington, a part of Stanley British Primary now located on the former Lowry AFB.

What became Lowry Field in 1938 was owned by the Episcopal Church and included the Jarvis Hall Military School. Students at the military school marched along a road that ran northwesterly from the school to St. Luke's Church—it is the short section of Richtofen Place between Quince and Roslyn Streets. In the early 1900's the Colfax Avenue streetcar line extended east from Downtown Denver to Poplar Street. From that turnaround point, a bus continued east to Fitzsimmons Hospital. As late as the 1930's it was possible to look to the east and see Fitzsimmons Hospital. Neighborhood boys hunted pheasant and rabbits in the open fields!

-A FEW SIGNIFICANT DATES:

32d Avenue renamed Martin Luther King Boulevard in 1980.

34th Ave between Downing & Dahlia renamed Bruce Randolph Ave Thanksgiving 1985.

Valley Highway (I-25) construction began in 1948 at West 52d Ave & Acoma Street.

Initial stretch of I-70 opened in 1966.

MILE HIGH YOUTH CORPS IS HIRING

(Excerpts from information provided by Derek Berardi, Community Relations Coordinator,
720-407-7281, x333)

MHYC is embarking on a new season of recruitment. Our Summer Land Conservation program and our YouthBuild program have begun reviewing eligible candidates. Remember, applicants must be between 18-24 years of age to be considered for employment. All youth positions are paid and hold the opportunity to earn an Education Award (or scholarship).

The Summer Land Conservation program gives young people the chance to spend their summer participating in a variety of land management projects. Sustaining trail building, invasive species removal and habitat restoration are just a few of the types of work our crews perform in state and local parks. Positions begin May 16, 2012, and will last through August 10, 2012. There is also an option to participate in an extended 6-month term. They will earn a stipend and will earn an Education Award upon successful completion of their term. They must have a G.E.D. or high school diploma (or be enrolled in a program to receive them).

The YouthBuild program offers young people the opportunity to work in the green construction industry while finishing out their G.E.D. or high school diploma. Spending half of their time in the classroom and half on the job site, they will gain a number of life, work, educational and leadership skills during this 9-month program. They will earn a stipend and will earn an AmeriCorps Education Award upon successful completion of their term. This program will begin August 13, 2012; however, this is a highly competitive program, so interested applicants should apply soon! Applicants must NOT have a G.E.D. or high school diploma and must have a desire to make changes in themselves and their community.

For complete information, go to milehighyouthcorps.org/green-jobs/current-corpsmember-positions-available.
General questions about youth employment? Please call 720-407-7281 x325 or email youthjobs@mhyc.net.

Denver Citizens' Police Academy (CPA)

Wednesdays, 6:30 p.m. – 9:00 p.m.

Date: April 25 through July 18, 2012

Where: Police Academy, 2155 N. Akron Way, Denver CO

Applications available at denvergov.org

Questions to Tech. Matt Merrion, 303-3370-1527

Matthew.merrion@denvergov.org

This is an 11-week program (one night per week), conducted twice a year with an average enrollment of 25 students. It is designed to familiarize Denver citizens with the policies and procedures of the police department and is a unique opportunity to learn about its officers.

Participants attend lectures and discussions on subjects ranging from officer safety to the Internal Affairs Bureau, demonstrations in arrest control techniques and defensive emergency vehicle operation (DEVOC). Officers from throughout the department assist with lectures and demonstrations.

Upon completion of this program, participants attend a graduation ceremony and are awarded a certificate with a miniature replica DPD badge. CPA graduates may elect to participate in the CPA Alumni Association and volunteer police assignments.

Participants have to be 18 and over with no prior felony arrests. A background check will be conducted on all applicants.

I am the contact for the Citizens' Academy, so anyone can get a hold of me if they have additional questions.

Tech. Matt Merrion
