This is a monthly meeting where parents of teens and tweens can share their challenges, concerns, problem solve together, and find support. The group is open to parents of teens all throughout Santa Cruz County. Meetings are facilitated by Stephanie Tam Rosas, a certified Positive Discipline Parent and Classroom Educator. Stephanie has worked in Santa Cruz County with youth, teen moms, foster youth, and those experiencing domestic violence. These groups are based on the principles of Positive Discipline but will be led in a support group format versus an instructional class. To learn more visit: **www.PDCRcc.org**
