

HOW TO TALK TO YOUR CHILDREN ABOUT THE HOLOCAUST

Part of Holocaust Education Week, How to Talk to Your Child about the Holocaust looks at this topic through a wider lens, examining how and when is the right time to engage children in conversations about the Holocaust and other difficult world events. We encourage our community to join us for an engaging parent evening and an exciting collaboration of like-minded institutions.

The program will begin with a talk from noted psychologist, **Dr. Dona Matthews**, and conclude with facilitated discussions in groups of parents with similarly-aged children.

Presented in partnership by the Dr. Eric Jackman Institute of Child Study, Facing History and Ourselves, The Mabin School, Paul Penna Downtown Jewish Day School and the Miles Nadal JCC.
