

WHAT IS TEEN BIBLE QUIZZING?

Teen Bible Quizzing is a unique ministry that combines a study of the Bible, competition, fellowship and disciple-making into one program that is attractive to teenagers.

Nazarene Youth Bible Quizzing is a great opportunity for students to interact with others around their District, Field, and the Region. With God's leading, this discipleship program develops young leaders, aids in spiritual maturity, and is instrumental in the call to ministry for countless students.

Unquestionably, those who quiz have their spiritual life radically transformed by the experience.

As students and youth leaders continue to realize the significant impact Youth Bible Quizzing has on their relationship with God, they naturally want to invite others to join them for the next season.

Many who see or experience Youth Bible Quizzing for the first time find it immediately compelling.

What is not to like about a nine-month Bible study that encourages youth to learn scripture, develop a devotion to God's Word, go on road trips for competitions, make friends and fellowship with like-minded students across their community and the nation, fortify their ability to witness, and equip them to be effective leaders in the church?

Youth Bible Quizzing is undeniably a highly effective youth leadership and discipleship program.
