OUTSTANDING PERFORMANCE TAKES RETURNS TO A NEW LEVEL IN THE CLEARFIELD[®] SEGMENT

A game changing Y Series[®] hybrid offering unmatched performance and consistency in the early-mid maturity Clearfield[®] segment, demonstrating exceptional adaptability and yield for maturity. Exceptional early growth helps deliver effective weed control and reduced seed set results through superior crop competition and early canopy closure.

KEY FEATURES

- Sets an industry benchmark for consistency in yields over a wide range of growing conditions. Excellent paddock performance has exceeded industry benchmarks.
- Early-mid (4) maturity, displaying excellent adaptability. Ideally suited to low to medium rainfall growing zones.
- Forms a compact canopy and offers dense pod set along with uniform rippening.
- Delivers exceptional early growth resulting in superior crop competition and early canopy closure resulting in enhanced weed control and reduced weed seed set.
