

Master O's Black Belt World

"Leaders Developing Leaders."

Dear Parents,

We hope your summer is going well! We are having a fantastic time with summer camp and summer classes! We want to let you know about early registration, as well as some important things to keep in mind as the 2018-2019 school year draws closer. Master O's After School Program includes:

- Transportation from neighborhood schools within a 5-mile radius. Please see a front desk attendant about your specific school if it is not listed on our schools list.
- At least 1-2 taekwondo classes daily.
- Dedicated 30-45 minutes of supervised and assisted homework time tailored to your child's needs.
- Pick up at 6:00pm with a 15-minute grace period.
- Full day care with drop off at 7:00 AM on most school holidays at no additional charge! Fun and educational activities are also added to these days with premium plan.
- Early pick up on early release days with premium plan.
- Spring and winter break included in your tuition with premium plan.

After School tuition for the 2018-2019 school year is on the Pricing Schedule for each school's bell schedule. Any additional family member will receive a 10% discount off the first member's tuition.

Parents of children that are bused to Master O's via the CMS transportation system will need to fill out an alternate stop form at the CMS website by August 15th or as soon as possible. At the time of this writing, if you type "CMS alternate stops" on Google.com, the first link will take you to the exact form you will need to fill out.

Please fill out the registration form below and mail it or drop it off at our front desk. Registration fee can be paid online at www.masterotkd.com. Select programs then after school. Fill out the information to pay the registration fee to hold your place in the program. Please keep in mind that this form is necessary to match information with the registration and the schools. Payments are due the first of each month/week of attendance. For students starting in August the payment will be prorated for the month and due by the first day of attendance. We look forward to a great 2018-2019 school year and anticipate your child's success with Master O. Please contact us if you have any questions.

Sincerely,

Master Patrick O'Donnell

Please reserve my spot in the 2018-2019 After School program at Master O's Black Belt World
