FORMULA FORDS AT BATHURST 2015

The Formula Ford Association is proud to offer Formula Ford competitors the opportunity to once again race at Australia's most prestigious racetrack as part of the 2015 Bathurst 12 Hour.

The FFA has been offered a place at the 12 hour event to be run on 7-9 February.

Formula Ford has competed at the 2011, 2012 and 2013 events with grids reducing to 35 cars in 2013.

The promoter is basing the category fee for participation on a minimum of on 35 cars. As in past events the FFA must pay the full fee for 35 cars, irrespective of the number of cars that compete.

The entry fee will be \$1450 incl GST

The FFA needs to confirm participation with the promoter by 30 May 2014 to secure the races and the FFA needs your feedback as to whether it is viable to proceed with the offer.

This will be undertaken firstly with an audit of the responses to this email, then if positive, a further email before the 30 May to secure funds.

The FFA needs to be convinced that the event is financially viable and hence full or part payments by 30th May will be explored.
