

simply raw bakery

*A bakery that works without flour, eggs, dairy products and sugar?
Yes, this works! With fruits, nuts, seeds, superfoods, vegetables,
herbs and a lot of love and leisure for crafts we are preparing our
dishes and desserts.*

*simply raw bakery creates cakes, chocolates, cupcakes and savory
plant-based food (vegan & gluten-free) with ingredients from
organic farming.*

*The gentle preparation below 42° C, of most foods provide an intense
tasting experience, as all vitamins and nutrients are preserved.*

*The abandonment of animal products, industrial sugar and conventional
flour characterizes the bakery. (vegan & gluten-free)*

*In workshops you can learn to prepare the food on a purely
plant-based basis.*

simply raw bakery - eating healthy & nutritious

clean eating & slow food

simplyraw History

.....
 • What began in 2012 as a small stall on the organic farmer's market
 • on the Viennese Freyung, developed in 2014, into Vienna's first
 • raw-food bakery and patisserie with a café and deli. Initially only
 • for a small target group, the interest in ,healthy' food and clean
 • eating got bigger and the bakery grew into a green hot spot in the
 • heart of Vienna. Meanwhile, we are proud to also offer raw vegan,
 • gluten-free cake orders, catering for events with our food truck and
 • *simply raw* workshops where we teach ,behind the scenes'.
